## Green Co. drafting Hazard Mitigation Plan Update for review

Green County, like the rest of the State of Wisconsin, is vulnerable to a variety of disasters.

Wisconsin has incurred disaster-related damages totaling \$3 billion in the last three decades but future losses can be reduced through mitigation activities. A recent study by the Multi-hazard Mitigation Council shows that each dol-

lar spent on mitigation saves society an average of four dollars.

Since 1993 more than 400 disasters have occurred in the United States, affecting communities in all 50 states, costing the country over \$500 million dollars per week and killing over 24,000 people.

Mitigation actions reduce or elim-

## WISTAX Facts: Slowed local taxes drive decline in state's tax burden

The state-local tax burden relative to personal income has declined steadily in recent years, from a high of 11.9% in 2011 to 10.7% in 2017. This figure excludes federal taxes.

This decrease has been driven primarily by income expansion and restrained growth in local tax collections. As a share of personal income, the local tax burden fell from 4.5% of income in 2011 to 3.7% in 2017. The state's share fell from 7.4% to 7.0% of income.

Tax collections illustrate this trend even more clearly. State collections increased 10.1% between 2012 and 2017, while they increased only 3.8% at the local level.

## Parkview announces Hall of Fame inductees

Parkview HS will be inducting 2 new members into our Athletic Hall of Fame as well as recognizing a team.

The induction ceremony will take place at halftime of the Varsity Boys basketball game on Friday, Feb. 16.

There will also be a social in the commons following the games.

Inductees are: Kris Keyser, Class of 1982, and Kathy Selck, Class of 1994. We will also be recognizing the 1963-64 Boys Basketball team.

inate the long-term risk to human life and property from hazards. These preventative actions can be as simple as elevating a furnace in a basement that sometimes has water on the floor.

Mitigation can also have a comprehensive approach such as relocating buildings out of the floodplain or strengthening critical facilities to prevent wind damage and provide stronger shelter.

In an effort to better prepare Green County to manage its vulnerability to disasters, Green County Emergency Management applied for, received, and has completed a Pre Disaster Mitigation (PDM) update planning grant.

This plan update will serve as a roadmap that outlines potential cost-effective hazard mitigation activities, some of which might be available for future grant funding. The updated plan outlines the risks and vulnerabilities that the county faces from natural disaster and highlights mitigation strategies that might reduce future losses. The completed draft hazard mitigation plan update is available for review and public comment until Friday, Jan. 19, 2018.

The plan can be viewed online at [www.greencountyem.com](http://greencountyem.com) or call the Green County Emergency Management office at 328-9416 to schedule an appointment between the hours of 8:00 a.m. to 1:30 p.m.

# Green Co. Genealogical Society announces Feb. meeting agenda

Civil War Medicine Hollywood Version topic for the Green County Genealogical Society February 3 Meeting

Dr. Gordon Dammann will present "Civil War Medicine Hollywood Version: The Good, The Bad, and The Ugly" at the Green County Genealogical Society February 3 meeting. Dr. Dammann was an Army Post Dental Surgeon and Captain (1969-70) and is a retired dentist from Lena, Ill.

He is founder of the Lena Area Historical Society as well as the Na-

tional Museum of Civil War Medicine. A Certified Guide at the Antietam National Battlefield, he has received several awards for involvement and participation in numerous historical societies. Civil War Medicine is his area of expertise and he has published or edited various historical publications.

The Green County Genealogical Society meeting will be held in the second floor meeting room of the Monroe Public Library at 10 am. Saturday, February 3.

Visitors are always welcome and

there is no cost to attend. You may call Sharon Mitchell (815-868-2416) or Donna Kjendlie (608-921-1537) if you have questions. Please leave a message if we are not able to answer.

The GCGS Research Center (located in lower level of the Monroe Public Library) is available to the public for research. Research Center hours are: Tuesdays and third Saturday 10 a.m. to 3 p.m. and first Saturday 1 to 3 p.m.

Main holdings are on Green County. Both Rock and Lafayette Counties are well represented along with sev-

eral other counties, states, countries, and ethnic groups. The large clipping collection of births, marriages and obituaries is available.

Volunteers are on staff to help with your research. Research Center phone (during open hours) is 608-328-7436.

## Free tax help available

Starting Monday, Jan. 15, appointments are available for free homestead, federal and state tax services

VITA and AARP TCE (Volunteer Income Tax Assistance/American Association of Retired Persons Tax Counseling for the Elderly) program sites which provide free assistance in completing tax returns for low to moderate-income and elderly persons will be doing Homestead, Federal, and State Taxes beginning in February through mid-April.

To schedule a Wednesday appointment between 9AM-2PM in Monroe at the Behring Senior Center, 1113 10th St, please call 608-325-3173, beginning January 15th.

Appointments are also available 9 a.m. to noon at Brodhead Public Library, 1207 25th Street, on Mondays, and Albany Village Hall, 206 North Water Street, on some Fridays.

Call 608-328-9499, the ADRC, if you wish to use the Brodhead or Al-

bany sites.

For taxes, bring your social security statement, social security card, last year's taxes, and any income statements such as 1099s from pensions, investments, IRAs, interest, brokerage statements, and W-2s.

Also bring information about health insurance premiums paid. We cannot do taxes where there is a business with more than \$5000 in expenses, a working farm, or apartment rentals. All returns will be e-filed for fast service.

For a homestead to be filed, it is necessary to bring a copy of this year's real estate taxes or an original rent certificate signed by the landlord, along with a social security statement, other income statements, and any health insurance amounts paid.

Also, those that are 62 and younger will need written proof of disability if they have no income.

## Orfordville Public Library taking part in system-wide update

SHARE, the new library catalog and account portal will be available in search-only mode at all public libraries in Rock County Monday, Jan. 8 through Wednesday, Jan. 10.

In this transitional stage, RockCat—the previous catalog—will be disabled and SHARE will take its place. The new web address for the catalog is sharelibraries.info and may also be accessed using the link off your Rock County public library's homepage.

SHARE is expected to be launched in full-service mode one library at a time Thursday, Jan. 11. Once your home library has been brought fully online, you may begin using all the features of SHARE by logging in with your current library card bar code and your new PIN, which is the last four digits of your phone number on re-

cord. Don't forget to save your library card, you will continue using it!

During the three-day transition period patrons will be able to checkout materials at the desk of the library they visit (no-self checks) and will have the same access to public computers they are accustomed to (using their old PIN if required for logon). Library events and programs will continue as scheduled, be sure to visit.

Several library services and features will not be available during the three-day transition. Access to patron accounts will be unavailable to patrons and librarians meaning no new library cards will be issued, contact information cannot be changed, bills for fines and fees may not be settled, and interlibrary loan will be suspended.

Digital library services such as Hoopla and OverDrive (Libby) may not be available. Materials returned to libraries will not be checked in during the transition—due dates have been adjusted to reflect this. These services are expected to resume Thursday, Jan. 11.

If patrons plan to visit shortly after the SHARE transition and find it convenient to hold on to items they wish to return until then, it would be greatly appreciated. Please be sure to check item due dates before deciding when to return them.

For more information about the SHARE transition timeline or its features, visit [als.lib.wi.us/share.html](http://als.lib.wi.us/share.html) and follow Arrowhead Library System, Wisconsin and your favorite public library on Facebook.

# Panthers swat down Ponies

By Derek Hoesly  
CORRESPONDENT

The Juda Panthers (5-7 overall, 2-3 Six Rivers) steamrolled the Monticello Ponies 55-29 in a Six Rivers eastern division contest last Thursday.

Juda's smothering 2-2-1 full court press generated a number of turnovers in the opening 3:29 of the game to propel the Panthers to a commanding 11-0 lead. Senior Mackenzie Byrne fueled the scorching start with three steals and fast break layups.

"It's not that common of press. It's really just figuring out where we need to be and if we turn the ball over trying to score and that really got our offense going," head coach Curtis Brown said.

"I think that we push ourselves to go harder and push ourselves to make them turn the ball over. We just work really hard to make the other team mess up," Byrne said.

After Abby Wicker broke the Ponies scoring drought with a putback, Juda sophomore Montana Steinmann

ripped off 11 straight points to put the Panthers up 22-5. Juda playing without their leading scorer, senior Maddie Roth, Steinmann provided a lift to the lineup on this night. Steinmann had the hot hand early torching the Ponies with three long balls including one off a drive and kick out by Byrne. She also got in on the turnover party with a steal and transition layin.

"Tana (Montana) has really come along over the season. She has done really well at shooting when she needs to. She's our three point shooter so that's who we look for," Byrne said.

"She's doing a great job as a sophomore. Her first year on varsity. She's really starting to come into her own. I think now that we're in January she's got her rhythm down, getting confidence in her shot and we ask a lot of her," Brown said.

The Panthers lead ballooned to 30-5 midway through the opening half. Juda went to their post game late in the half. Senior Hailey Kammerer finished on the block with a spin move. Byrne found a wide open Kammerer down low on the push during the run.

The Panthers continued to pound the ball inside in the closing minutes of the half. Junior Hannah Powers had three inside baskets including a drop step. Juda got high percentage shots at ease against the Ponies' zone and man-to-man defense in the opening half. The Panthers took an insurmountable 45-17 halftime lead.

The second half was a different story. Juda's overall shooting was cold just like the frigid temperature outside. The first basket came at the 12:40 mark on a Kammerer baseline jumper. The Ponies' 2-3 zone made the Panthers work for every shot.

"The first half we were pushing the ball a lot more. In the second half Monticello was really pushing harder and working harder to stop us," Byrne said.

Brown also was trying some different objectives on the offensive end

Senior Hailey Kammerer goes up for a shot during a victory over the Ponies.

during the second half with the large lead. Add in a few turnovers and missed shots you have the recipe for a 10 point second half.

"We worked through about three different things there in the second half to kind of get through it. It wasn't perfect but I saw some things that I wanted to which was fine," Brown said.

Byrne knocked down two free throws after getting hammered on a baseline drive. Byrne punished the Ponies defense not only in the scoring column but dished out several assists to teammates. Steinmann was a beneficiary of Byrne's excellent court vision with clean looks from down town. The duo of Byrne and Steinmann gave the Ponies problems throughout the contest especially in the first half.

"Those two really have do a good job of looking for each other up and down the floor. That's something we've been working on moving the

ball and they do a good job with that," Brown said.

One bright spot for Monticello was Brokopp. Brokopp found the bottom of the net on a banked floater in the lane. Brokopp scored a team-high 11 points including two 3-pointers.

Byrne paced the Panthers' offense with 19 points including 17 in the opening half. Steinmann scored 13 of her 14 points in the first half. Powers contributed nine points and Kammerer chipped in eight points in the contest.

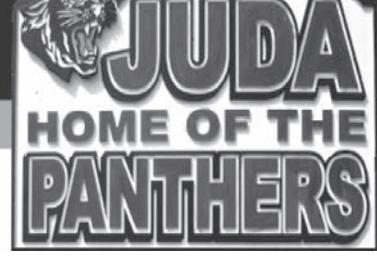

"She's pretty quick with the basketball and she can get around people. Just the idea that she's looking to be a little more aggressive shooting is nice and we need that from her," Brown said of Byrne's strong play.

"I just looked to drive the ball a lot because I noticed that the lane was open. Our posts were blocking off their players so I could drive. I was getting to the lane easier," Byrne said.

## BLOOD DRIVE DATE CHANGE

The next blood drive will be held on Wednesday, January 17. The blood drive will be held from 1-6 in the pit gym.

## JUDA SCHOLARSHIP SPAGHETTI DINNER

There will be a spaghetti dinner held on Thursday, January 11, at Juda High School for the Masonic Temple Scholarships. The dinner will be held from 5 to 7 p.m. The money raised will go to scholarships for seniors who plan to go to college next fall. Tickets can be pre-purchased at the Sugar River Bank or at Juda School or can be purchased at the door. Pre-purchased tickets cost \$5 for adults and \$3 for children. At the door, tickets cost \$6 for adults and \$4 for children. We hope to see you there.

## SENIORS OF THE WEEK

Keagen Christopher Haffele was born on February 5, 2000. His parents are Heidi Seffrod and Jeff Schneeberger. Keagen enjoys chemistry classes with Ms. Sam and both watching and playing basketball. One thing most people would not know about Keagen is that his sweat smells like maple syrup. His favorite thing about Juda's referendum is the Zen Den in the high school hallway. After high school, Keagen will be attending UW-Lacrosse to major in Biomedical Sciences and then will go to medical school.

Trent Davis was born to Bill and Traci Davis on April 26, 2000. His after-school activities include football, baseball, forensics and wrestling. Trent even made it to sectionals in wrestling his Junior year. He enjoys any class with the science teacher Ms. Sam. His favorite things about the referendum are the carpets in the classrooms and the new weight room. Trent will be attending UW-Platteville for Criminal Justice after high school.

## CULVER'S

Help support the Juda Junior Class by eating at Culver's to raise money for post prom activities. The Juniors will serve you on Monday, January 29, from 4 to 10 p.m. Mark your calendars now.

## POST PROM

The next Post-Prom meeting will be held tonight, Wednesday, January 10, at 6 p.m. All junior parents are welcome to attend.

## FINALS

Finals for first semester will be taking place on January 18 and 19. Students also do not have school on January 22, but teachers still have an in-service on that day.

## BOYS' BASKETBALL

The boys' basketball team played in a tournament on December 28 and 29 in Williams Bay. The boys lost the first game to Williams Bay by a score of 77-63. Quinton Kammerer led all scorers with 15 points, followed by Cole Fortney with 14 and Keagen Haffele with 11. During the second game, the boys lost a thriller to Heritage Christian in overtime 66-61. Keagen Haffele led the Panthers with 24 points. Their next game will be January 11 at home vs Barneveld.

## GIRLS' BASKETBALL

On December 22, the girls played Pecatonica at home. They won 52-21. Lead scorers for this game were Montanna Steinmann with 13 points, Hailey Kammerer with 12 points, and Hannah Powers with 10 points. Over winter break the girls played at a tournament in North Crawford. They beat North Crawford 55-27 and lost to River Ridge 20-69. They played Monticello at home on January 4. The girls won 55-29. Lead scorers for this game were Mackenzie Byrne with 19 points, Montanna Steinmann with 14 points, and Hannah Powers with 9 points. Their next game is January 12 at Barneveld.

## SPANISH CLUB

The Spanish Club held its last

meeting on Tuesday, January 9. They talked about the holiday Three Kings Day. Mrs. Williams brought in Rosca de Reyes, or sweet bread, which is a special food for Three Kings Day. There also was hot chocolate for the students.

## MATH DEPARTMENT

Math classes will be using Math-a-licious to investigate a couple topics such as social justice with respect to speeding tickets and how much Tylenol someone can take safely.

## STEAM

Groups are continuing the construction of their vehicles. Many groups are still testing and making their own designs. The competition will have multiple rounds where teams will have to grab different-sized balls from different heights and sort them into different slots. The competition will be held in February, and the competition is double elimination.

## MUSIC DEPARTMENT

Reminder to all high school choir members that lessons are in Google Classroom and need to be completed by January 17. Solo and Ensemble is quickly approaching, so if you are interested in participating, see Mrs. Fox or Mrs. Way in order to pick out your music.

## JUDA ELEMENTARY

The fifth-grade students are working hard on the state reports. After all the research is done, the students will then present the annual States Fair. In the fourth-grade reading class, the students are learning about Black History. They learned about Jackie Robinson and then moved on to learning about the Underground Railroad.

## ART DEPARTMENT

Last week the kindergarten class made Georgia O'Keeffe flowers using oil pastels, and the first graders had a super fun art day. The second

graders worked on jellyfish paintings, and the third graders created a sketch of a quilt. The fourth graders finished their collages, and the sixth graders had a paint day. The middle school 3-D rotation class continued working on their recycling project, and the high schoolers started working on their final semester project.

## STUDENT COUNCIL

Student Council needs students to work the blood drive on Wednesday, January 17. Reminder to Seniors that you are able to receive a red cord for graduation if you have accumulated enough volunteer hours working the blood drive or donated 2 pints of blood. Please see Mr. Anderson if you are interested in working.

## REC DISTRICT

The Rec District is sponsoring another session of Zumba. The new session started January 2. It will be held on Tuesdays and Thursdays from 5:30 to 6:30 p.m. Daycare will be provided.

Thank you to the Rec. District for offering this class, and if you have any questions, please call the school for more information.

# Green County Humane Society Pet of the Month

Desoto is 2 1/2 years old, and an altered male domestic shorthair. This handsome cat is the king of the cattery...or so he likes to believe. Desoto is an easy-going feline with a chill attitude and perceptive personality. Friendly and curious, this panther-like cat enjoys rolling over for belly rubs and asking for pets. He is interested in other cats, but can sometimes get too rambunctious when he is engaged in playtime (he doesn't always realize the strength of his paws). Desoto would do well with an experienced cat-owner who can keep him occupied with cuddles and cat toys.

Check our website at [www.green-countyhumane.org](http://www.green-countyhumane.org) for new arrivals of cats and dogs, adoption fees, and upcoming events, etc.

## Material Needs

For the Dogs: hot dogs, canned dog food, Mounds Dog Power, rawhide retriever sticks, Kongs, Frisbees, tennis balls, peanut butter

For the Cats: Kitten Milk (formula), Mounds Purrfect Cat, canned cat food

Misc Supplies: laundry detergent, Dawn Dish Soap, Clorox Bleach, paper towels, stamps, copy paper, hand sanitizer, hand soap

Aluminum Cans – good source of income

Thanks so much for donating from the above list.

# Pastor's Corner

By Rev. P. Jack Way, Jr.  
PASTOR, LUTHER VALLEY LUTHERAN

Alert Day! Stay Warm! Be Careful!  
Dangerous Wind Chills! Bomb Cyclone! Frostbite Times! The headlines are so radically urgent and at least a little frightening.

Two thousand years ago, there was radically urgent and at least a little frightening news in the backwoods hills not terribly distant from Jerusalem. An insignificant and historical birth was taking place among the livestock there in the sticks where no self-respecting husband would take his nine-month pregnant fiancé. No room for the couple had been found among relatives. None with the distant fifth cousins twice removed on his great aunt's side,

nor even the among those cousins from near home, back in Galilee.

There was no space anywhere respectable for the unmarried couple whose baby was obviously coming at any moment. The labor pains were urgent. The birth was frighteningly imminent. Then the most natural and amazingly sacred act that can be accomplished by a woman was finished. Amid groans and cries, with the messiness and beauty of water and blood, there is a child, a son. Miracle and common intertwine connecting mother and child. Torn cloth wraps the baby into again feeling secure.

Silently away from the tourists, all those descendants of King David had been arriving in the village named after

bread. A little frightening and somewhat urgently, all came to register as ordered by the foreign King-God-Emperor.

Of course, it was enforced under threat as had been commanded by the local yokel politician. The nearby governor, the official that they knew about, was the same one who was now being called by the foreigner's name he had been given.

Then, of course, there was the obvious local police presence, reinforced by the national guardsmen, and just outside the village were the occupying soldiers from distant powerful nations. All were on alert. Not only to insure compliance to the edict about everyone being counted, but also anxiously on edge.

Nervous and distrustful of all the strangers in town, they grasped their weapons closely in fear of the radicals

in this forsaken place that had a reputation for being full of revolutionaries. They urgently wanted this motley crew gone as quickly as possible.

Stinking of sheep, the local scum, those thieves that all the locals called shepherds, arrived from the pastures in the hills. It was clear they were in a hurry to get somewhere. Suspicious eyes watched them carefully.

Stopped repeatedly by the cops, it took all the control these shepherds had within them to hide the urgency of their mission of finding this divine one, this newborn child.

The one who had been long promised, sung about by angels and the host of heavens, they absolutely must find this one babe wrapped as only poor mothers from the villages can do. It was the one to come that was promised by the prophets. He is the only one who

would be Messiah. This one will deliver God's people from the oppression of their captors into the freedom of this very land promised in ancient times to them and their ancestors. A land flowing with milk and honey would return to them after so long suffering under the rod of repressive leaders.

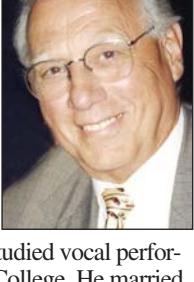

The child was laying in a manger among the livestock when they located him with his mother and her fiancé. The smell of shepherds, of animals, of feed and hay blended with the scent of new birth. Surely, God is in this place.

Urgently God continues to break into the world. Frightening deeply those who cannot imagine or allow the least to be the greatest. Or, that the babe in rags is Eternal King. Keep Alert! Be Careful!

A blessed Epiphany (referring to the revelation of God's Son) be yours.

### WAYNE OLSON

Wayne L. Olson, age 87, of Janesville passed away peacefully at home Friday, December 29, 2017. He was born on July 19, 1930 in South Beloit, IL, son of Selmer and Esther Olson. He studied vocal performance at Waldorf College. He married his best friend Phylis Hull on December 13, 1969 in Janesville, WI. Wayne was a member of Rock Prairie Presbyterian Church, the Elks Club 254, and was a U.S. Army Veteran. Following 34 years of employment at GM, he

served as a valet at Dean Riverview Clinic for 18 years. Wayne was an avid Packer, Badger, and Brewer fan. He enjoyed placing bets with his sons every game, often times coming up on the losing end.

A well-known soloist, Wayne's dynamic bass voice took him coast to coast in the U.S. and throughout Europe with the Winged Victory Chorus. The professional group provided him the opportunity to sing at Carnegie Hall and Madison Square Garden alongside many vocal stars of the day. But the highlight of his singing career that brought him the most joy was singing for the Lord. He was blessed to be a member of the Oracles, Rock Prairie Church Choir, and most recently "The Trio" - with Brandon Crandall and

### Joanie Heinze.

Wayne is survived by his wife, Phylis, 3 children: Scott, Michael, and Peter (Jeanie); 8 grandchildren; Paige, Paris, Bennett, Wyatt, Sterling, Elizabeth, Griffin, and Lillian, his brother, Carlton (Mary); 3 nieces: Amy, Heidi, and Kathy of Washington State; other extended family and friends. He was preceded in death by his parents.

A musical celebration of Wayne's Life was held at the Rock Prairie Presbyterian Church on Saturday, January 6, 2018 at 11 a.m.. A visitation will be held from 9 to 11 a.m. prior to the celebration, at the church. In lieu of flowers, the family has asked that you please make a charitable donation to Janesville Agrace Hospice, or the Rock Prairie Church Choir in Wayne's honor. The family would especially like to thank the loving care of Kristine and

Angie from Hospice. Schneider Funeral Home & Crematory is assisting the family.

### MARY EMILIE PHILLIPS

Mary Emilie Phillips, age 86, Orfordville, passed away Wednesday, January 3, 2018 at The Next Inning, Orfordville.

She was born March 30, 1931 in Aurora, Illinois, the daughter of Otto and Katherine (Young) Kellner. Mary was a only child, but was quite close with her foster sister, Josephine, who passed away in 2015.

Mary moved to Orfordville in the early 60's and was a member of St. Augustine Catholic Church in Footville. She worked at factories most of her life and especially enjoyed working at Monterey Mills and Gibbs Mfg. where she would meet many long term friends.

Mary enjoyed traveling to her parents cottage in Stone Lake, Wisconsin with her long term companion, Richard (Chub) Sommerfeldt. They enjoyed creating crafts and attending craft shows together. He would later become her devoted caregiver, caring for her in his home.

Mary took great joy in all her grandchildren and was instrumental in their lives. She had many talents – playing

several musical instruments, painting and writing. She had several articles and drawings published in newspapers and magazines and also created the Gibbs company newsletter covers.

She is survived by her sons, James (Sandi) and Thomas (Becky); her daughter, JoEllyn (Ray) grandchildren: Jesse (Jackie), Michelle (Dennis), Joey, Thomas, Michael (Jackie) and Lisa; and great-grandchildren: Emilie, Ian, Jared, Cecilia, Carson and Addison.

She was preceded in death by her parents, foster sister, Josephine, infant son, Gerard and infant daughter, Jocelyn.

Funeral services will be held at Newcomer-Silverthorn Chapel and the Hill, 3008 South Coon Island Road, Orfordville, at 11:00 A.M. on Wednesday, January 10, 2018, with Father Kevin Dooley officiating. Visitation will be from 10:00 a.m. until the time of service at the funeral home on Wednesday.

The family wishes to thank The Next Inning for all their care and devotion to our mother and Agrace Hospice for their support and care during her last days. We would also thank Nahla and Mouffie, the resident cats at The Next Inning, who were loving and made her extremely happy!

Memorials may be made to Agrace Hospice of Janesville.

### The Hunt for Economic Development-Part 1

*Economic development... activities that create a net gain of money into the community, whereby, low-income economies are transformed into living wage economies.*

Often folks have only a vague notion of what economic development is. They may think it means any type of construction, maybe some new parks or even a community center. Smarter folks talk about job creation. A community's economic base consists of the businesses that bring net income to your community beyond what is consumed there. It's critical to understand and increase the economic base of Brodhead... that will make us prosperous.

As your mayor my highest priority will be to improve economic development in our city. To be successful we need more than meetings, we need to be actively involved. The question we should be asking employers face to face is: "What is it you would require from us to consider locating in Brodhead?" I intend to target and personally visit companies and entrepreneurs to ask real questions concerning moving to, or starting up, in Brodhead. Especially this question: "How can we make this happen?"

We also need to bring the Building Inspector (BI) position back in house. We must have a very responsive BI Dept. to attract new business. We should be assisting new builders, developers and employers by speeding up the permit process. Bureaucratic complexities discourage new growth.

We must get out of the real estate business... let the private sector work. I favor annexation vs direct purchase and resell. That would free up assets for more critical uses.
