## Monroe teacher uses hands-on econ lessons and custom data to increase student success

The student stock market is up and so is student achievement in Sarah Compton's fifth-grade class at Northside Elementary in Monroe, Wisconsin. An engaging project that pays real-world educational dividends, Compton's student stock market teaches critical thinking and economic concepts as students invest an imaginary nest egg and manage their individual portfolios. It's one of several project-based building blocks for Compton, whose lessons are invariably down-to-earth and feature hands-on learning no matter how abstract or elevated the material gets. A data-driven educator, Compton creates individually tailored learning plans within her big set pieces, so each student tackles appropriate challenges that boost growth, confidence and test scores.

Yet it was Compton who got a big lift this morning at a surprise school assembly where she was presented with a Milken Educator Award by Milken Family Foundation Senior Program Director Greg Gallagher and Wisconsin State Superintendent of Public Instruction Carolyn Stanford Taylor. An enthusiastic Compton was named a 2018-19 recipient of the national recognition, which comes with an unrestricted \$25,000 cash prize. She is the only Milken Educator Award winner from Wisconsin, and is among the 33 honorees for 2018-19.

The Milken Educator Awards, hailed by Teacher magazine as the "Oscars of Teaching," has been opening minds and shaping futures for over 30 years. Research shows teacher quality is the driving in-school factor behind student growth and achievement. The initiative not only aims to reward great teachers, but to celebrate, elevate and activate those innovators in the classroom who are guiding America's next generation of leaders. Milken Educators believe, "The future belongs to the educated."

Compton stresses independence and self-reliance in her students, attributes that will prepare them to take advantage of whatever challenges come their way. Always striving to see the big picture, Compton not only uses data to differentiate her students' lessons, she also coaches colleagues through data analysis and individualized instruction planning. She sits on building and district committees and frequently leads professional development on responsive classroom practices, math and literacy.

"Sarah Compton knows that each student has a unique path and interests," said Gallagher. "Helping them get excited about learning is her special gift, and we are proud to welcome her as a Milken Educator."

"Teachers who can build strong, personal relationships with their students are always successful at knowing how to unlock a child's fullest potential," said Stanford Taylor. "Sarah Compton's efforts to tailor learning through choices and relationships are a model for others to follow."

"Sarah is one of the most talented young educators I've ever had the privilege to work with," said shared Monroe District Administrator Rick Waski. "Her ability to use student data to drive personalized, engaging instruction for every child is second to none."

### About Milken Educator Sarah Compton

Sarah Compton challenges her fifth-graders at Northside Elementary School in Monroe, Wisconsin, to think critically and dive deep into their learning. In a series of project-based lessons on financial literacy, students explore concepts of spending, saving, sales tax, discounts and interest. Next, they learn about the stock market, including how to choose companies for investment based on data trends and current events. They track an imaginary \$10,000 investment as

a group, then move to a friendly competition as individual students try to grow their pretend portfolios. Along the way, students practice computing with large numbers and decimals, calculating percentages, graphing and estimation. Engagement is sky-high, both because of the project's real-world connection and because it offers students options along the way. In another popular unit, students create public service announcements on issues facing today's teens: obesity, texting while driving, high school dropout rates and cyber-bullying. A vibrant classroom presence, Compton is dedicated to maximum growth for students at all levels and provides engaging and relevant instruction. Her students deliver among the highest growth scores in the district.

Compton seeks innovative instructional solutions and is always willing to try something new to spur student achievement, access and equity. A leader for her grade level and within the building, Compton studies data to build individual learning plans for each student and helps other Northside teachers use data to differentiate their instruction. She designs curriculum and creates formative assessments for the district. Compton sits on Northside's leadership committee and has served on district committees for math and literacy. She mentors colleagues in both content-area mastery and assess-

ments, developing a district model to help teachers engage in peer-to-peer support and cross-coaching. Compton frequently leads professional development for the district on responsive classroom practices, math and literacy. She works tirelessly to improve her craft; when Compton speaks during a meeting, the whole room listens.

Committed to Monroe's school community, Compton gets to know every child and family and communicates regularly with parents so they can work together to support students. She is known as a genuine advocate for her students and stresses independence and self-reliance. Compton has made great strides with students with behavioral issues, taking time to relate to them on a personal level and build mutual respect so they know she is on their team. When these students return to Northside after they graduate, she is the first person they want to see.

Compton earned a bachelor's degree in education in 2007 from University of Wisconsin Whitewater and a master's of education in 2011 from University of Wisconsin La Crosse.

More information about Compton, plus links to photos and a video from today's assembly, can be found on the Milken Educator Awards website at <http://www.milkeneducatorawards.org/educators/view/Sarah-Compton>.

Milken Educators are selected in

early to mid-career for what they have achieved and for the promise of what they will accomplish. In addition to the \$25,000 prize and public recognition, the honor includes membership in the National Milken Educator Network, a group of more than 2,700 top teachers, principals and specialists dedicated to strengthening education.

In addition to participation in the Milken Educator Network, 2018-19 recipients will attend a Milken Educator Forum in New Orleans from March 21-24, 2019. Educators will have the opportunity to network with their new colleagues and hear from state and federal officials about maximizing their leadership roles to advance educator effectiveness.

More than \$138 million in funding, including \$68 million in individual \$25,000 awards, has been devoted to the overall Awards initiative, which includes powerful professional learning opportunities throughout recipients' careers. Many have gone on to earn advanced degrees and be placed in prominent posts and on state and national education committees.

The Awards alternate yearly between elementary and secondary educators. Unlike most teacher recognition programs, the Milken Educator Award is completely unique: Educators cannot apply for this recognition and do not even know

# Concordia University Releases Fall Honors List

Concordia University officials have released the Fall Honors List for the 2018-2019 academic year. To be eligible for the honor, students must achieve a minimum 3.60 GPA.

Among the area students named to the list were: Ciara Roberts, Brodhead, sophomore, Rehab-Sci-Regular and Molly Marass, Juda, senior, Biomedical Sciences. Founded in 1881, Concordia University Wisconsin, 12800 North Lake Shore Drive, Mequon, offers over 70 undergraduate majors and is affiliated with The Lutheran Church-Missouri Synod.

## •Teacher (Continued from front page)

they are under consideration. Candidates are sourced through a confidential selection process and then are reviewed by blue ribbon panels appointed by state departments of education. Those most exceptional are recommended for the Award, with final approval by the Milken Family Foundation.

Past recipients have used their Awards to fund their children's education or their own continuing education. Others have financed dream field trips, established scholarships and even funded the adoption of children.

To get regular updates on the surprise Milken Educator Award events, follow and use the #MilkenAward hashtag on Facebook, Twitter and Instagram. ### About the Milken Educator Awards

The very first Milken Educator Awards were presented by the Milken Family Foundation 31 years ago in 1987. The Awards provide public recognition and individual financial rewards of \$25,000 to elementary and secondary school teachers, principals and specialists from around the country who are furthering excellence in education. Recipients are heralded in early to mid-career for what they have achieved and for the promise of what they will accomplish.

# Minnesota State Mankato announces 2018 Fall Dean's List

Robert Meiners, Senior in Construction Management is named to the Academic High Honor and Honor lists for the past fall semester at Minnesota State University, Mankato as announced by Provost and Senior Vice President for Academic Affairs Marilyn Wells.

Among 3,334 students, a total of 875 students qualified for the High Honor List by achieving a 4.0 straight "A" average, while 2,461 students earned a 3.5 to 3.99 average to qualify for the Honor List.

Minnesota State Mankato, a comprehensive university with 14,227 students, is part of the Minnesota State system, which includes 30 colleges and seven universities.

 There will be a small concession stand before and after each performance. Come check out what the Students of Albany have been working hard on over the past several months!  
 Hope to see you there!

# Rock County tree and shrub sale

There is still time to order trees and shrubs for wind breaks and wildlife plantings from the Rock County Land Conservation Department Tree and Shrub sale. The sale is open to all. Remaining bare root seedlings: White Pine (7 - 15"), Cooks Balsam Fir (bluish-hued Balsam variety) (12 - 16"), Canaan Fir (intermediate of Fraser and Balsam Firs) (7 - 15"), Red Oak (18 - 24"), Pin Oak (18 - 24"), Black Walnut (18 - 24"), American Plum (18 - 24"), and Sargent Crabapple (18 - 24"). Many native deciduous trees, shrubs, and herbaceous

plants can tolerate Black Walnut. This list, sale details, and more information are at <http://www.co.rock.wi.us/land-conservation-tree-shrub-sale> (search "Rock Co Tree Sale"), by calling 608-754-6617 ext. 3, or visiting the office at 440 N US Hwy 14, Janesville WI 53546 during normal business hours. Plants are sold in single species bundles of 25 for \$27.50, 50 for \$50, and 10 for \$20. Distribution will be in Janesville in mid- to late April.

Combining conifers with a variety of fruit and nut trees can create year-round havens for diverse wildlife seeking food, shelter, and nesting sites. Conifers in rows or groups provide essential protection from frigid winter wind chill and intense summer heat. Early flowering woody plants attract insects which in turn attract insect-eating birds. In fall through winter, the abundant small fruits are food for migrating birds and winter residents. Pine nuts, acorns, and walnuts are high energy food for birds and small mammals from fall through winter. Cavities in mature deciduous trees are vital winter shelter for birds and mammals. Large birds use lofty White Pines for nest sites and perches.

For three-row wind breaks or screens, use firs or spruces for the outside rows and White Pine for the interior row. In the row, space firs, pines, and other conifers eight feet apart and mark off 10 - 15 feet between rows. Offset plants from row to row to

maximize area for growth. Enhance conifer plantings with outer rows of shrubs. In deciduous plantings, alternate black walnuts among oaks and add shrubs on sunny edges for transition from low to upper canopy.

This sale accepts orders from September into April. Selection is based on remaining inventory. Inquire early for best selection. To get on the mailing list for the next sale, call 608-754-6617 ext. 3 or email [anne.miller@co.rock.wi.us](mailto:anne.miller@co.rock.wi.us) subject "tree sale 2020." Tree planters and sprayers are available for rent. Details at website and call 608-754-6617 ext. 3.

## Downtown Albany eatery reopens

You can now once again enjoy eating at Gabriella's, which has reopened with Christie Fry as the new owner. The menu is largely the same delicious food, but there are now three varieties of steak and on Saturdays you can treat yourself to a prime rib dinner. The restaurant is located at 203 Oak Street. Its hours have been extended to 4-8 on Wednesdays and Thursdays, 4-9 on Fridays and Saturdays, and 10-1 (brunch) and 4-8 (dinner) on Sundays. Happy Eating!

# TAX TIME 2019

## Tax tips for 2019

Compiled by Tony Carton  
 EDITOR

The Tax Cuts and Jobs Act was the biggest overhaul to the U.S. tax code in decades, and it made some significant changes to the tax deductions that are available. Here's a rundown of what Americans need to know about tax deductions as the 2019 tax filing season opens.

### What is a tax deduction?

When filling out their tax returns,

American households can choose to itemize certain deductions, or they can take the standard deduction, whichever is more beneficial to them.

Here are a few itemizable tax deductions you may be able to take advantage of.

### Mortgage interest

The mortgage interest deduction is among the tax deductions that still exist after the passage of

the Tax Cuts and Jobs Act, but for many taxpayers it won't be quite as valuable as it used to be.

### Charitable contributions

Contributions to qualified charitable organizations are still deductible for tax purposes.

### Medical expenses

The IRS allows taxpayers to deduct qualified medical expenses above a certain percentage of their adjusted gross income.

### State income tax or state sales tax

The IRS gives taxpayers the choice to claim either their state and local income tax or their state and local sales tax as an itemized deduction.

### Property taxes

If you pay property tax on a home, car, boat, airplane, or other personal property, you can count it toward your itemized deductions.

### Tax Deductible Student Loan Interest

The current federal tax code permits student loan borrowers to deduct a portion of their student loan interest paid during the year.

### Talk to a Professional

Tax laws can be challenging to navigate by yourself. Talk to the right professionals so you get sound advice on how to proceed.

# TAX TIME IS NEAR.

**Get what you have coming to you... get professional help!**  
 Have your 2018 tax return prepared by these tax specialists. Phone now for an appointment, they can help you keep more of your hard earned money.

# Juda girls fall in Regional play

By Trent Scheidegger  
REPORTER

The Juda Lady Panthers finished the season with a 2-18 overall record which placed them in the twelve seed in the division five, sectional four bracket. They were in for a tough one in the first round of regionals as they were forced to travel to Rio High School, to face off with the five seed on their home court. The Rio Vikings finished their season with a 16-6 overall record.

Rio jumped out to an early lead as they put up forty nine points in the first half. Juda's Montanna Steinmann was giving it everything she had to keep the Panthers in the game, however. Steinmann hit four three-pointers in the first half and totaled sixteen as she scored a

majority of their points before the break. Senior Hannah Powers provided the rest of Juda's points, totaling six in the half. The duo was impressive but the Panthers went into the break trailing by twenty seven points, down 49-22.

Steinmann was unbelievable in this one, as she hit another pair of three-pointers in the second half, giving her six total on the evening. Steinmann also went seven for nine from the free throw line following the break as she totaled thirteen second half points.

Riese Price was also impressive from the line as she went six for eight after going scoreless in the first half. The Panthers matched their first half total, by scoring twenty two once again in the second half. They were unable to

keep up with the high powered Viking offense, however, as they eventually fell by a score of 77-44.

Steinmann had her best game of the season in the Regionals as she put up an impressive twenty nine points to lead the team. The Junior will look to build off of this game when she returns next year for her senior season. Powers was the next leading scorer with eight, in her final game for the Lady Panthers basketball squad.

The Panthers lose five seniors overall in Hannah Powers, Paige Price, Yilian Liu, Kristyna Kovalikova, Rubia Beloto, and Emma Lokkos. Best wishes to these girls as they look to move on from their basketball careers at Juda and focus on their respective futures.

# Juda School District Board of Education meeting minutes

At the board meeting on Wednesday, Feb. 13th, 2019 the Juda School Board:

- Accepted the resignation of Ashlee Cerjack as the JV Volleyball Coach.
- Approved a Youth Apprenticeship Work Program for Jacob Miller
- Heard a presentation from Heather Ross and the Advanced Learners program she is currently teaching in the elementary classes.
- Heard a presentation from Lucy Stuckey on the Mystery Science Curriculum that all elementary teachers are using for science.
- Heard a report from Pat Daniels on the WASB Convention he attended in

January.

- The Board has rescheduled the Staff Communication Meeting to March 20, at 6:30 a.m.
- Mrs. Davis gave an update on activities taking place in JAMB.
- Approval was given to a schedule change in the 4K program next year. The class will have off on Fridays instead of Wednesdays.
- Gave approval to the Flex Pass Program to be piloted by seniors this year.
- The board gave recommendations to Mrs. Davis for adding days and hours to the school year due to days

off because of inclement weather. Mrs. Davis is working with other schools in JAMB to keep days and schedules in line as much as possible due to shared classes.

- Discussion was held regarding the east diamond at the park. Plans are to remove the fencing, cement and bleachers.
- Took no action coming out of executive session.
- Next Board Meeting is scheduled for March 13. The Board will participate in a joint Board Meeting with other JAMB Boards on March 27, in Brodhead.

# United Way of Green County notice of funding availability

During 2019 the United Way will provide over \$260,000.00 in funding to assist local programs that are focused to address the most critical needs of families and individuals throughout Green County. This funding is made possible through generous contributions to the annual United Way Campaign.

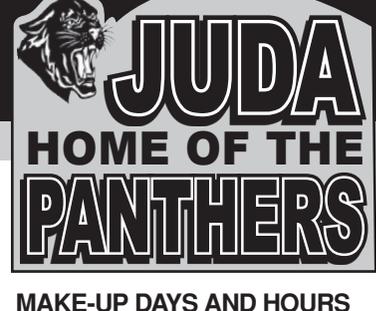

Applications are currently being accepted by the United Way of Green County, Inc. for program funding in 2020.

United Way allocations are awarded to support local programs working to improve the education, financial stability and health of people in our community. The United Way welcomes requests for funding from all qualified programs working to meet the needs of Green County residents in the following areas: helping children and youth to succeed; meeting basic needs; building self-sufficiency and promoting health and wellness.

The United Way of Green County, Inc. by-laws state that all agencies applying for United Way funding must have, or be operating under a fiscal agent with, a tax exempt status under the 501(c) (3) of the Internal Revenue Code of 1954 and must have conducted a recognized program of health, welfare, or other non-profit activity providing services to residents of Green County for at least one year immediately preceding admission to participation. Programs not meeting these requirements may not be considered for 2020 funding.

Funding applications must be completed and returned to the United Way of Green County by 4 p.m. on Tuesday, April 16, 2019. An allocation panel interview will be scheduled for all programs submitting a funding application.

To request an application, or for any additional information, contact the United Way of Green County, Inc., P.O. Box 511, 1717 10th Street, Monroe, WI 53566 or phone (608) 325-7747 or E-Mail unitedway@pecbell.com.

# Panthers on the Prowl

Written by Taylor Adkins, Dean DeVoe, Marilyn Farias, Nicole Kamholz, Quinton Kammerer, Karlee Kesler, Jacob Mahlkuch, Nathaniel Nicholson, Hannah Powers, and Lily Riebe

## MAKE-UP DAYS AND HOURS

Due to all of the inclement weather days this year that resulted in several delays, early releases, and closings, the District needs to make sure we have the required instructional minutes set by the Department of Public Instruction. The following changes will be in effect for the remainder of the 2018-2019 school year: 1) Beginning March 4, the school day will be extended by 10 minutes each day. School will start at the normal time of 7:50 and will end at 3:20 instead of 3:10. 2) April 22, 2019, was originally scheduled as a vacation day. This will now be a full day of school.

## PARENTS' NIGHT OUT GAME NIGHT

A huge thank you to everyone that attended game night! The Spanish Club had a great turnout! They had board games, jungle games, a movie, dinner, snacks, and prizes! The Spanish Club truly appreciates everyone that came to support them.

## BLOOD DRIVE

On March 26 there will be a blood drive. Everyone is welcome to donate a pint!

## FOOD PANTRY

The Panther Pantry is open on Saturday mornings from 9:00 to 11:00 a.m. We can also schedule appointments if that time does not work. Appointments can be made by calling the school at 608-934-5251.

## NHS

The NHS induction ceremony was held on Wednesday, February 20. Emily Makos, Lucas McCullough, and CJ Kamholz were inducted into the group at a dinner and ceremony held at the school. The NHS is now working diligently to plan future service projects. If any community member has ideas about projects, email them to taylor@judaschool.com. We are grateful for our new members for all the ideas they bring to the table.

## ART DEPARTMENT

The high school art classes are continuing their furniture project this week. The middle school rotation class is preparing for the Odyssey of the Mind competition in Madison on March 23. The sixth-grade class is finishing their mosaics, and the fifth grade is going

to have a super fun art day. The third-grade class is finishing their Romero Britto hearts, and the second graders are starting a new project. The first-grade class is glazing their pottery, and the kindergarten students are starting a new project.

## MUSIC DEPARTMENT

Last Saturday was Solo and Ensemble. It went very well, and we will have names and scores next week. Now the high school band is preparing for Large Group Competition, the Band-O-Rama concert on March 13, and the Last Blast concert on March 4.

## SHOE DRIVE

Spanish Club is partnering with funds2org to continue to fundraise for their June 2019 trip to Peru. Funds2org is a program that collects new and gently-worn shoes and offers money per pound of shoes received. If Juda Spanish Club can collect 2500 pairs of shoes, they will receive a minimum of \$1000 from the company. Please start bringing in any new and gently-worn shoes to donate. The fundraiser has begun and will run for 60 days. There are several drop-off locations: Juda School in the Spanish Room, Sugar River Bank of Juda, Juda Zion Church, and La Iguana. Go to <http://www.funds2orgs.com/> for more information or contact Mrs. Williams. To everyone that has donated so far, thank you so much! The Spanish Club has been able to collect over 1,000 shoes so far. Keep on donating to reach the 2500 pair goal!

## SPANISH CLUB

There will be an informational meeting about the Peru trip tonight, Wednesday, February 27, from 5:30-6:30 p.m. in the Spanish room. This meeting will go over general information about the trip. If you cannot make it, please contact Mrs. Williams.

## ELEMENTARY

On Friday, March 1, the elementary students will be celebrating Read Across America. They will be reading all day and have Pizza Hut for lunch. They will also be having their PBIS incentive. They will be sledding, building forts, and painting snow.

## REC DISTRICT

Please look for summer youth ball program information as dates and times get finalized.

## JFAB

Summer band and camp scholarships will be available April 1. Please see Mrs. Fox or Mr. Taylor for the ap-

plication.

## FFA

Fruit from the FFA fruit sale will arrive on March 6. FFA officer applications are available now! Stop by Ms. Bietz's room to pick one up. Freshman through seniors are eligible to apply as long as they have taken Ag Survey.

## STEAM

Next week will be STEAM for high schoolers during Flex. Students will get to start working with materials and continue planning. Good luck, and may the best team win!

## MATH TEAM

The Six Rivers East Math Meet took place today. Results will be in next week's column. Thank you to all the volunteers to help make the day run smoothly.

## SOFTBALL OPEN GYMS

Softball open gyms are here! This is an opportunity to get in some extra swings and field some ground balls. The other goal is to get our pitchers and catchers working. This is for all softball players--freshman through seniors. They are held from 1:00 - 3:00 on Sundays. The dates are March 3 in Juda and March 10 in Juda.

## BASEBALL OPEN GYMS

Baseball open gyms have been happening since January 20. Players can keep posted by getting the Band App and joining the group. All of the open gym times and dates are posted weekly on it so players and parents can be updated weekly. Keep up the awesome turnouts!

## FORENSICS

The Forensics team is preparing for their district competition. They are hard at work practicing and perfecting their pieces. Best of luck to all of them!

## GIRLS BASKETBALL

The girls played hard on Tuesday, the 19th, but they did not own victory. They had to discontinue this season and pass up going to regionals and sectionals, but they already look forward to next winter that is full of opportunities. Of course, the team had to say goodbye to their seniors (and to their foreign exchange students). That happened at Parent and Senior Night, which was held on Friday, February 15. It was a beautiful event remembering all the nice moments of their many years playing basketball as part of the team but also sad saying goodbye forever.

## TRACK AND FIELD

The first track practice will be held

on Monday, March 4. Juda athletes will ride a bus to and from Brodhead for practice each day, and track practices will last from 3:30-5:00 p.m. Also, starting March 4, students will be released at 3:20 p.m. from school. The Juda bus might be leaving for Brodhead at a different time because of this change, so athletes should be aware of that. The first few weeks will be very cold, so athletes should come to practice dressed accordingly. Athletes will be running and working outside.

## BLACKHAWK TECHNICAL COLLEGE SPRING EVENTS

Blackhawk Technical College has an exciting spring semester of events and activities. On March 4-12, Tech Exploration Days will take place for students who are interested in learning more about specific program areas. On March 26 and on April 3, One Stop Admission Events will take place for students who want help completing the BTC application and FAFSA. On April 9, Healthcare Day will take place for students who would like to have the opportunity to tour healthcare facilities, tour BTC Health Sciences, attend an education fair, and listen to panel professionals from the healthcare industry. Blackhawk tech representatives will also continue visiting schools in Green County. They can meet with any student who is at any stage in his/her college and career search process. Anyone interested in attending any of these events should contact Mrs. Bertling.

## PERRY OUTREACH PROGRAM

On Saturday, April 27, 2019, there will be a Perry Outreach Program taking place at the University of Wisconsin-Madison in Madison. The Perry Outreach Program is a free, one-day, hands-on experience for high school women who are interested in pursuing careers in medicine and engineering. Students will hear from women leaders in these fields and try it for themselves by performing mock orthopedic surgeries and biomechanics experiments. Participants should be women in grades 10 and up with an expressed interest in science, medicine and/or engineering. Applicants should be directed to fill out their online application in advance of the March 27, 2019, application deadline. Additional infor-

mation can be found on their website: [www.perryinitiative.org](http://www.perryinitiative.org).

## JUDA CHILD FIND

Child Find is a legal requirement that schools find all children who have disabilities and who may be entitled to special education services. We will be having this the week after spring break on Wednesday, March 20.

## ALL DRESSED UP

High schoolers, get the gift of confidence and style on your prom night! On Saturday, March 9, from 7:30 a.m. to 3:30 p.m. The Junior League of Madison will pair you up with a personal shopper to help you find your dream dress and an accessory for free! It will be held at Madison College on Traux Campus, 1701 Wright Street, Madison.

## ACT

The Juniors finished their ACT and ACT Work Keys tests on Thursday, February 21. They all did their best and will be looking for their scores in the mail in the coming months. If you see any of them, wish them luck!

## REMINDER

A reminder to watch for slick spots on your way to school in the morning. The cement steps walking into the school as well as the parking lots can still be pretty icy, so stay alert.

## WAX MUSEUM

The 3rd and 4th-grade classes will be putting on a wax museum again this year. They pick an important historical figure, dress up like them, and present on the information they researched on their subject. The museum will take place on Tuesday, March 5. Stop by and see what the students learned.

## HOMEWORK CLUB

The upcoming dates for homework club are February 28 and March 5 and 7.

## LUNCH

Thursday, February 28, breakfast will be frudels; lunch will be french toast sticks, sausage links, baked beans, and apple sauce. Friday, March 1, breakfast will be long johns; lunch will be mac n cheese, little smokies, peas, and pears. Monday, March 4, breakfast will be bars; lunch will be cheese sticks, carrots, and mixed fruit. Tuesday, March 5, breakfast will be muffins; lunch will be chili, baked potatoes, dinner roll, and apple juice. Wednesday, March 6, breakfast will be mini pancakes; lunch will be salisbury steak, mac n cheese, peas, and peaches.

# Parkview boys end season on win streak

By Trent Scheidegger  
REPORTER

Last Monday the Parkview Vikings hosted the Black Hawk Warriors for an out of conference matchup. Black Hawk came into Orfordville with a 10-10 record on the season, while the Vikings sat at 13-6. Parkview would look to prove they were as good as their record shows when the Warriors came to town.

It was a tight first half, and it was a game of runs from the start. Parkview struggled to get the offense going from the tip, as Black Hawk went on a seven point run to begin the game. Eli Hoscheit sparked the Vikings, however, by hitting a layup and then stealing the following in-bound pass and hitting an and one. Hoscheit started what would be an eight point run for Parkview, as they took an 8-7 lead.

Things were back and forth from then on, but it was the rebounding that allowed the Vikings to take an advantage. Parkview out rebounded the Warriors 23-9 in the first half,

which helped them take a 37-29 lead into halftime.

Hoscheit finished the first half with thirteen points while Jarrett Brown added on a pair of three-pointers and finished the half with eight points.

The Viking offense really found their rhythm in the second half. Adrian Meza, who went scoreless in the first, hit a pair of three pointers and put up ten points in the half. Hoscheit kept it rolling in the second, hitting a pair of three pointers himself, and putting up eleven points. Aydon Campbell put up nine second half points, while Brayden Tracy had six.

The team effort helped the Vikings work towards a 82-74 victory over Black Hawk. Hoscheit led the way with twenty four, Campbell had sixteen, Justin Balch totaled thirteen, and both Meza and Brown finished with ten points. The Vikings had five athletes reach double digits in scoring which was their key to victory in this one.

On Thursday night the Vikings hosted Palmyra Eagle, who held

the first place spot in the Trailways South Conference, with Parkview just behind them in second place. The last time these two teams faced off the Vikings held a lead at half but Palmyra pulled off the comeback for a 57-50 victory. Parkview would look to redeem themselves in their final game of the regular season.

The Vikings got off to a hot start in this one, as they combined for seven three pointers in the first half alone. Jarrett Brown had a pair of three's, as did Tyler Oswald, and Eli Hoscheit. Justin Balch added a three of his own and the team put up forty two first half points. Palmyra was able to keep

it close, putting up thirty five of their own, as Parkview went into halftime up by seven.

Last time the Vikings lost their lead in the second half, they were determined to make sure that didn't happen in this one. Brown carried his hot hand into the second half, hitting another pair of three pointers. Balch put up nine second half points of his own, as the team combined for twenty four.

The Parkview defense was the difference maker on Thursday. They held Palmyra to just twenty five in the second half which was just enough to get away with a 66-60 victory over

the conference champs.

Balch led the way offensively with seventeen, while Brown finished right behind him with sixteen of his own. The Vikings had four people reach double digits, however, as Campbell totaled eleven, and Hoscheit finished with ten.

The Vikings finished their season on a roll, which was the perfect time to get hot, as they head into the playoffs off a three game win streak. Parkview finished the year with a 15-6 overall record, after beginning the year just 3-3. They finished in second place in the Trailways South Conference.

## Parkview School Board honors Steve Haberman and approves snow day make up plan

By Jeremy Gokey  
REPORTER

Parkview School District board met Monday, February 18, 2019 to honor former school board member Steve Haberman and formulate a plan to make up lost hours from excessive snow days.

Haberman was elected to the Parkview school board in 2012 and stepped down December 2018. During Haberman's tenure Parkview Elementary consolidated with Newark Elementary in 2012 and Footville Elementary in 2016. The district broke ground on a \$17 million junior/senior high school in 2014. A new greenhouse was also constructed at the high school.

Haberman, a third-generation school board member, stated he ran for school board because "There were things that needed to be done and no one else was willing to step up and do it." Haberman was not afraid to dig in and get his hands and tractors dirty to help the district.

The board discussed how to make up the snow days the district had in January. District Superintendent

Steve Lutzke voiced concern regarding the excessive amount of cancelled days due to cold weather and snow. The board approved five extra days into the 2018-2019 calendar to account for winter weather cancellations. Parkview has cancelled school six times due to the weather.

Despite six cancellations and several delayed days, Parkview students are still slightly above the state minimum requirement for instruction hours. "Most schools in the state are in worse shape than we [Parkview] are," said Lutzke. One more weather-related delay or cancellation would cause the instruction hours to drop below state minimum requirements.

Lutzke presented different options to the board to consider for making up lost instruction hours. The board could take no action on lost days since the instruction hours are still above state minimum, as the first option. This plan would hinge on no more weather-related delays or cancellations.

The board could change Feb. 22, 2019 from a scheduled day off to a

regular school day. Parkview senior Ricky Louie was strongly opposed to this option.

Louie presented a poll of Parkview high school students regarding Feb. 22. Louie found that 80 percent of high school students did not want February 22 to become a school day. Louie also found out that 80 percent of students had already made plans for that day. 92.3 percent of students preferred to make up the lost instruction time by changing the last three early release Fridays into regular school days.

Another option to the board was to hold school on April 22, 2019, a scheduled day off, or add the time to the end of the school year on June 9, 2019.

The board voted to keep Feb. 22, as a scheduled day off. The board also voted to change the last three early release Fridays to regular school days. This move will make up six hours of instruction time. The board will review the need for extra make up time at the March 2019 meeting in the case of more delays or cancellations.

## Storm Spotter training

The Rock County Sheriff's Office is hosting the 2019 Severe Weather Safety and Spotter Training Class on Wednesday, March 6, at the Rock County Health Care Center. The training is provided by the National Weather Service at no cost to the public. The presentation covers severe weather safety, emergency alerts, severe weather identification, emergency reporting procedures, and inclement weather

safety.

Date: Wednesday, March 6, 2019  
Time: 6:30 pm - 8:30 pm

Location: Rock County Health Care Center - Auditorium, 3530 North County Highway F. Janesville, WI 53547

For more information about the National Weather Service Storm Spotter training program, please visit <https://www.weather.gov/mkx/spotter-schedule>

## Village of Orfordville election notice postings

Effective March 1, 2019, the required Election Notices for the Village of Orfordville will be posted in the following three locations:

- The Farmers & Merchant's Bank - 303 E. Spring Street, Orfordville, WI 53576

- The Orfordville Public Library-519 E. Beloit Street, Orfordville, WI 53576

- The Orfordville Village Hall-303 E. Beloit Street, Orfordville, WI 53576
- Please call the Village Hall at 608-879-2004 if you have any questions.

## UW-Platteville announces Chancellor's List

The University of Wisconsin-Platteville announces its Chancellor's List, honoring those full-time students who earned the very highest academic honors in the fall 2018 semester.

Students must maintain a perfect 4.00 grade-point average to earn the Chancellor's List distinction.

Students from this area on the Chancellor's List include: Daniel Lowe, Durand, Biology and William Roth, Juda, Agricultural Education.

UW-Platteville, founded in 1866 and located in Southwest Wisconsin, is home to more than 7,000 full-time undergraduate students. For more information on the university visit [uwplatt.edu](http://uwplatt.edu).

SPRING ELECTION -  
APRIL 2, 2019**  
**VOTING BY ABSENTEE BALLOT**  
Any qualified elector who is un-  
able or unwilling to appear at the  
polling place on Election Day may  
request to vote an absentee ballot.  
A qualified elector is any U.S. cit-  
izen, who will be 18 years of age  
or older on Election Day, who has  
resided in the ward or municipality  
where he or she wishes to vote for  
at least 10 consecutive days before  
the election. **The elector must  
also be registered in order to re-  
ceive an absentee ballot. Proof  
of identification must be provid-  
ed before an absentee ballot may  
be issued.**  
**You must make a request for  
an absentee ballot in writing.**  
Contact your municipal clerk and  
request that an application for an  
absentee ballot be sent to you for  
the primary or election or both. You  
may also submit a written request  
in the form of a letter. Your written  
request must list your voting address  
within the municipality where you

wish to vote, the address where the  
absentee ballot should be sent, if  
different, and your signature. You  
may make application for an absen-  
tee ballot by mail or in person.  
**Making application to receive an  
absentee ballot by mail**  
**The deadline for making  
application to receive an  
absentee ballot by mail is:  
Thursday, March 28, 2019**  
**Note:** Special absentee voting  
application provisions apply to elec-  
tors who are indefinitely confined to  
home or a care facility, in the mil-  
itary, hospitalized, or serving as a  
sequestered juror. If this applies  
to you, contact the municipal clerk  
regarding deadlines for requesting  
and submitting an absentee ballot.  
**Voting an absentee ballot  
in person**  
You may also request and vote an  
absentee ballot in the clerk's office  
or other specified location during  
the days and hours specified for  
casting an absentee ballot in per-  
son.  
**The first day to vote an absentee  
ballot in the clerk's office is:  
Monday, March 18, 2019**

**The last day to vote an absentee  
ballot in the clerk's office:  
Friday, March 29, 2019**  
No in-person absentee voting  
may occur on the day before the  
election.  
The municipal clerk will deliver  
voted ballots returned on or before  
Election Day to the proper polling  
place or counting location before  
the polls close on April 2, 2019.  
Any ballots received after the polls  
close will not be counted.

# March Green County Board report

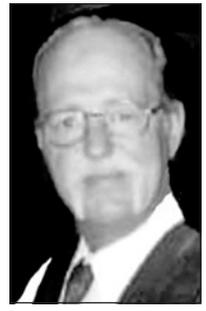

By Erica Roth  
GREEN COUNTY BOARD MEMBER  
Water continues to be in the news.  
Groundwater especially has been  
the focus lately. Quite recently our  
westerly neighboring counties have  
found alarming results from ran-  
dom well testing, causing the rise  
in water concerns to reach a level  
that our state government is tak-  
ing more notice and, finally, action.  
Green County was not a part of that  
particular study because our geol-  
ogy is different than the counties  
being studied, but Green County is  
looking at its own project to track  
trends in groundwater. This project  
would track specific data from ran-  
dom wells throughout the county for  
five or more years, showing trends in  
the groundwater. These trends could  
prove invaluable in determining  
beneficial, detrimental, and neutral  
practices and influences that affect  
our groundwater, as well as other  
information yet to come. Because  
trends in the data are the main focus,  
this will be valuable information for  
future planning and determinations.  
Green County will be on the leading  
edge by collecting and analyzing  
this data. We hope to be a good ex-  
ample for other counties and com-  
munities looking to understand and  
protect the groundwater. This initia-  
tive is still at the committee level;  
it is coming out of the Agriculture  
Extension and Education Commit-  
tee as a result of discussions from  
the Livestock Facilities Study Group  
report and recommendations. It will  
be presented to the Land and Water  
Conservation Committee at the next  
Land and Water meeting if you are  
interested in hearing first hand about

this project. Support for this project  
is being sought from several com-  
mittees before being brought before  
the full County Board for a vote.  
The next meeting for the Land and  
Water Conservation Committee is  
scheduled for Thursday, March 7 at  
10 a.m., at the USDA Service Center  
in Monroe located at 1627 4th Ave-  
nue West. The agenda and meeting  
information should be available by  
March 1 on the Green County web-  
site at [www.co.green.wi.gov](http://www.co.green.wi.gov).  
The Personnel and Labor Rela-  
tions Committee and the Finance  
Committee will be working together  
on the county wage study recommen-  
dations. On Feb. 13 both committees  
met with all of the department heads  
in a joint meeting to gather valuable  
input from the departments and lis-  
ten to concerns regarding the wage  
study. This is a multi-faceted topic  
with much to consider and the add-  
ed complication of budgetary con-  
straints. Meetings will be posted on  
the Green County website if you are  
interested in attending.  
Recent events such as the crazy  
winter weather and speaking with  
our heads of departments have re-  
minded me what incredible people  
we have in our county, working  
to make life good in Green Coun-  
ty for all of us. I would like to ex-  
tend a heartfelt thank you to all of  
our county employees for their hard  
work and dedication. You do not go  
unnoticed or unappreciated.  
I represent District 24 - the Town  
of Albany and the southeast por-  
tion of the Town of Brooklyn. I can  
be reached at 608-371-9074 or at  
[eroth@greencountywi.org](mailto:eroth@greencountywi.org). I look for-  
ward to hearing from you.

## Obituary

**TIMOTHY J. FOSTER**

Timothy J.  
Foster, age 63,  
passed away  
peacefully on  
Monday, Feb.  
18, 2019, at  
the Monroe  
Health Services,  
Monroe, WI,  
following a  
battle with  
cancer. He was  
born on June 17, 1955 in Monroe,  
WI, the son of Vernon and Arlene  
(Herheim) Foster.

Tim started his work career as  
a truck driver and then became a  
forklift driver for Swiss Colony  
of Monroe, WI, for 30+ years. He  
loved Nascar and had an extensive  
collection. Tim enjoyed being  
with friends and family, watching

Barrett-Jackson and sports on  
television, riding his motorcycle,  
and spending time at the VFW and  
Leisure Lanes in Monroe.  
Tim is survived by the mother  
of his children, Debbie Foster;  
his children, Corey (Brienna)  
Foster, Tyson (Amber) Foster, all  
of Brodhead, Michelle (Warren)  
Sage, Orfordville, WI; a brother,  
Ronald Foster, WA; and eight  
grandchildren. He was preceded  
in death by his parents, a sister,  
Bonnie Purdue, and loving  
companion, Rita Marsh.  
A Celebration of Life will be  
held at 5 p.m., Saturday, March  
9, at Leisure Lanes, Monroe,  
WI. The D.L. Newcomer  
Funeral Home, Brodhead, WI,  
is assisting the family. Online  
condolences may be made at [www.  
dlnewcomerfuneralhome.com](http://www.dlnewcomerfuneralhome.com)

## Theft by Fraud suspect apprehended

By Jeff Skatrud  
GREEN COUNTY SHERIFF

On Friday, Feb. 15, 2019, Monroe Police received a tip that a  
suspect in a series of theft by fraud incidents was currently at a  
residence in the City of Monroe. Follow-up on that tip led to the  
arrest of John Henry Loresch, W/M, age 51, last known address of  
Champaign, IL on warrants issued by Monroe P.D., the Wisconsin  
Department of Corrections, Rock County, Evansville, WI P.D.,  
Freeport, IL P.D. and Champaign County, IL. Loresch was reported  
to be visiting an acquaintance at the Monroe residence when he was  
apprehended.  
Monroe and Green County Sheriff's detectives interviewed Loresch,  
who confessed to acts of theft by fraud in the City of Monroe, Green  
County, City of Brodhead, Lafayette, Grant, Rock and Dane Counties.  
In addition to the multiple warrants, Loresch was charged with Theft  
by Fraud for an incident that occurred at a business on CTH DR on  
Jan. 25, 2019. It is anticipated that additional jurisdictions will be  
filing similar charges in the days ahead. Loresch is incarcerated in the  
Green County Jail pending additional court proceedings.  
Law Enforcement received numerous tips from the community that  
led them to suspect Loresch was the individual committing the thefts.  
As of the time of this release, no other individuals have been charged  
in connection with these incidents.

# Fury lose semifinals against Hilltoppers

In the semifinal game the number two ranked Fury hosted the number three rated Onalaska Hilltoppers on Feb. 19. Alyssa Knauf opened game scoring on passes from Haley Knauf and Anika Einbeck for a power play goal. Five minutes later, Haley found her sister again. On a pass from Haley, Alyssa fired a hard shot from the side to give the Fury a 2-0 lead. The Hilltoppers' cut the lead in half with a goal at the 4:16 mark.

The rest of the game scoring came in the second period. Coming out strong, the Hilltoppers added two more goals. Halfway through the second period, Mya Maslonka connected with Haley Knauf. Mya passed the puck from behind the net and Haley lit the lamp for a short-handed goal to tie the game 3-3. Unfortunately, the Hilltoppers got one past Fury's Olivia Cronin. This proved to be the game winning goal as the third period was scoreless. Olivia Cronin recorded 32 saves in the game while the Fury had 32 shots on the Hilltoppers goalie.

The Fury finished the 2018-19 season as Conference Champions for the second consecutive year, undefeated in conference play, Regional Champs, and an overall record of 14-10-2.
