Youth Art Month

Students from Juda participated in the Wisconsin Art Education Association Youth Art Month Flag design contest, and out of all the entries in the state Juda has two winners! Congratulations to Lorelei Pagett and John Bartels! They were two of seven students selected to have their art on this year's YAM flag from Wisconsin! The flag will be on display at the Capitol from Feb. 22 through March 6, then it will be taken to Minneapolis, Minnesota to be on display at the National Art Education Association convention at the end of March! Congratulations to both of these students!

Lady Cards pick up pair of wins

By Trenten Scheidegger
SPORTSWRITER

Brian Kammerer and his Lady Cards began the final week of their regular season with a home game against the McFarland Spartans, last Monday. It was the second time these teams would meet this season and there was plenty of reason to be excited as the first game featured a nail-biter of a finish that went in favor of McFarland by a score of 49-48. Still, the Spartans came in as underdogs as the Cards held a record of 13-7 while McFarland sat at 9-11.

It was another slow start as the Cardinals struggled to find the basket in the first half. Fortunately, their aggressive defense has given opposing teams the same fits as they have managed to keep themselves in multiple games where their shot was not falling this season.

It was much of the same on Monday as the Lady Cards managed only eighteen points in the first half, but they were able to hold McFarland to just twenty points of their own. Abbie Dix was the driving force offensively in the first half for Brodhead. She racked up eleven points, shooting three for three at the free throw line, and grabbed a number of rebounds before the break. Despite her impressive play, the Cardinals still found themselves trailing by two as they went into halftime.

As they have done many times this season, the Cards found their offensive rhythm in the second half. Carissa Purdue, who had just two first half points, had the hot hand as she tallied sixteen points following the break. She did her damage at the charity stripe, shooting eight of nine at the free throw line. Kiara Moe, who had five points in the first, found her momentum as well as she added eleven points to her total in the second. Dix carried her success from the first half over into the second as she contributed another eight points to the team's efforts.

The trio's hot shooting helped propel the Cardinals back into the lead. Combined with their solid defense, Brodhead was able to not only recapture the lead, but hold off the Spartans until the final buzzer hit on a 59-56 victory for the Brodhead Cardinals. Dix led the team with nineteen, Purdue finished just behind her with eighteen, and Moe was the third leading scorer with sixteen. Moe had a pair of three-pointers on the evening.

The following Thursday, the Cardinals made the trip to Beloit to face off with the Trojans. Thursday's matchup featured another exciting game as the Cardinals and Trojans battled until the very end.

The first half was a back and forth matchup as the teams went into halftime tied at 21. The energy only increased in the second half as the game neared a photo finish.

The Cardinals were able to work out a solid lead with only a few min-

utes left to play, but Beloit Turner was able to go on a late run to keep things interesting. Turner had a late opportunity to force overtime with a three-pointer, but it banked off the back of the rim and Brodhead went on to win another game by three points with a score of 54-51.

The Cardinals were led by Moe who put up twenty-one points in an impressive outing. Dix was the next leading scorer with thirteen and Purdue finished behind her with eleven. The trio has continued to provide outbursts of offense when Brodhead has needed it most.

The two tight wins were big for the Cardinals as they were able to tally their fifteenth victory of the season, ending their regular season record at 15-7, which was enough to earn a home playoff game in the regionals. Coach Kammerer's squad is hot at the right time as they head into the playoffs riding a three-game win streak.

Brodhead Bands to hold fundraiser

The Band Department is once again putting on a themed-basket fundraiser at the annual Development of Band's Concert. The concert will be held on Sunday, March 8th at 3:00pm in the High School Gym. Tickets go on sale Monday, February 24th in the Elementary, Middle and High School main offices. You can also purchase tickets before the concert. Tickets cost \$1 per ticket, \$5 for 6 tickets, \$10 for 17 tickets and \$20 for 42 tickets. You do not need to be in attendance at the concert to win. Someone will contact you. As

the band program continues to grow so do the costs of running the program. We hope to purchase new timpani with the money raised. If you are not interested in purchasing tickets, but would like to make a donation towards new timpani, please contact Beth Riesterer @ 897-2184 or briesterer@brodhead.k12.wi.us Thanks to everyone that donated time, money and energy into making sure that this event will be a huge success. We would also like to thank you in advance for your support of the band program!

Monroe Clinic news

Monroe Clinic Hospice Home honors donors

In June 2017, Monroe Clinic Hospice Home opened its doors to the community, introducing a new option for those in need of Hospice services with its warm hospitality, residential setting and 24/7 staffing. Since opening, more than 117 families have been served.

Building the Hospice Home was no small feat. It came from a vibrant network of generous hearts and minds that stretched across the region. This network is now honored on the newly installed donor wall, where there are individuals, families and businesses named who saw the value of the Hospice Home.

"I am so proud that this campaign has brought such value to our communities," shared Jenny Duxstad, former Monroe Clinic & Hospital Foundation Board Member. "What wasn't available when my father was dying is now available for families, giving them added support in a difficult time of transition. Death should be something that can happen with dignity and honor, and Monroe Clinic Hospice provides that."

You can continue the legacy that these supporting donors created by donating to the Monroe Clinic Hospice Endowment Fund. When a donor gives a monetary gift to our Hospice Endowment Fund, those dollars are invested and earn interest that helps pay for continued support, programming and services. The generous donations from our community members continue to fulfill Monroe Clinic Hospice's promise of compassionate end-of-life care.

To donate, or learn more about the foundation, please visit www.monroeclinic.org/foundation.

Monroe Clinic celebrates elite 5-star Medicare rating

The newest report published on Medicare.gov revealed Monroe Clinic has achieved an overall 5-Star Rating for the sixth time. This highest possible rating places Monroe Clinic in an elite group of healthcare performers, as only 407 out of 4,500 hospitals received a 5-Star rating.

Centers for Medicare & Medicaid Services (CMS) modeled the 5-Star Quality Rating System after the star rating system used by hotels, restaurants and other service industries where consumers choose higher star rating facilities to help ensure the best experience possible.

Categories included in this rating system are patient experience, safety, effectiveness of care, patient readmissions, efficient use of medical imaging, timeliness of care, and mortality. For example, under patient experience, 90% of respondents said that Monroe Clinic nurses "always" communicated well and 86% of respondents said doctors "always" communicated well.

"This 5-Star speaks to real life patient experiences and outcomes that take place every day at Monroe Clinic," shared Jane Curran-Meuli, Monroe Clinic President. "It is a testament of our mission as we bring our best to our communities through the healing presence of God."

To learn more about what quality means to Monroe Clinic, visit www.monroeclinic.org/quality.

Monticello Area Historical Society February meeting

COURTESY PHOTO *Brodhead Independent-Register*

At the February meeting, MAHS will present "Votes for Women," a film which sets archival photographs, stock footage and live action to narration and music from the Suffrage Movement.

The Monticello Area Historical Society (MAHS) will meet at 7 p.m. on Thursday, Feb. 27, in the Zwingli UCC sanctuary at 416 E. Lake Ave., Monticello.

Following a short meeting, MAHS will present "Votes for Women," a film by Kay Weaver and Martha Wheelock. This film sets archival photographs, stock footage and live action to narration and music from the Suffrage

Movement. The passage of the 19th Amendment, granting women the right to vote, was a 72 year long struggle. "Votes for Women" celebrates the magnificent campaign, the ultimate victory and the paths that contemporary women are taking in politics.

This is a free presentation and will start about 7:15 p.m. Come join us; the public is welcome to attend both activities.

Albany Public Hearing scheduled

Notice is hereby given that the Plans Commission of the Village Board of the Village of Albany, WI, will meet at 6:30 p.m. on Thursday, March 5 in the Albany Village Hall located at 206 North Water Street for the purpose of holding a public hearing as prescribed by section 98507, Wisconsin stats to consider the following item:

To consider the rezoning of the property located as lot to Albany Business Park noted on certified survey map 2998 in the Village of

Albany UMC to host Linus Project fundraiser

The Albany United Methodist Church will host a Linus Quilt Project Chili Luncheon fundraiser on Sunday, March 1, at 11 a.m. featuring Dan Holmes.

The Linus project is a national nonprofit organization with a two-fold mission.

First is to provide love, security, warmth, and comfort to children who are traumatized

Second is to give to those children gifts of new blankets.

The chili luncheon will help raise money to purchase the supplies that are needed to make the quilts.

There will be a basket for a free-will offering.

In addition to chili and its fixings, hot dogs, cheese chips, and bars for dessert along with a beverage are available.

Dan Holmes a guitarist songwriter will be performing at the Albany United Methodist Church leading both the 8 a.m. and 10 a.m. services. He has generously donated his time and talent to help the church with the Linus Project.

Please come and worship God through some great music and help a worthwhile cause.

The Juda sixth grade class had an opportunity to look at bone cells, blood, the letter e, and/or strands of colored thread using microscopes. They traveled to the high school lab, heard the expectations from our high school science teacher for a lab setting, and had the chance to work with a microscope to focus on slides. This is part of their "Cells and Heredity" book in the 6th grade curriculum. #GoJuda.

Decatur Lake and Mill Race Association schedule annual meeting

The Decatur Lake and Mill Race Association (DLMRA) is announcing its annual meeting will be held at the Three Waters Reserve (former Decatur Lake Country Club) on Saturday April 25 from 10-2. Our 93 members including the following business members, invite you to attend, socialize, and learn a little about what our organization has accomplished and plans to do to improve the access to Decatur Lake, the Mill Race, and maintain the quality of the Sugar River.

Our supporting business members are: Body Crafters Auto Body, Fib's North, Jordy's M&J Bar & Grill, Register Print Center, Computer Know How, Edward Jones Investments, Spring Grove Insurance, Dick's Repair, Arn's Auto Service, Brodhead Den-

tal Clinic SC, Brodhead Tire Center, DL Newcomer Funeral Home, Country Garden Restaurant, Parker Anderson Agency, Monroe Clinic, Furniture and Mattress Outlet, Floors For Less, Villa Pizza, Tropical Exposure Spa, American Family Insurance, Zettle Heating and Air Conditioning Inc., Justin Schott Agency LLC, Knute's Bar & Grill, Wilke Chiropractic, Pinnow Home-town Pharmacy, AC Elmer Appraisals, Albrecht Taxidermy, Bank of Brodhead, Piggly Wiggly, Sugar River Bank, Sweet Minihaha Campground, Trackside Mobil, Sagen Insurance

We thank everyone for their generous support. Join us in planning for the future needs of our lake and river environment.

SOLAR OPPORTUNITIES

Juda schools are planning some ideas for green energy in the future through an Energy Service Agreement. We are now exploring the possibility of a Six Rivers Conference solar group, where several schools from the conference would come together and receive a large discount on solar projects. This would further increase the discount community members could receive if interested in solar, and not only would it reduce electricity costs from day-to-day life, but it would also make a large impact on the environment. With the financial incentives available, there is no better time to explore solar. If you are interested, please contact Juda Schools. Also, members from other Six Rivers Schools are encouraged to call in order to truly quantify the magnitude of a discount we could all receive.

MATH MEET

Great job to all the students who participated in the Math Meet last Wednesday! Blackhawk placed 3rd, Juda placed 2nd, and Albany placed 1st. For individual awards, Mason Kammerer and Liana Daniels were honored for second-team all-conference for Level I, and Vanessa Olmedo placed 5th overall in Level I, giving her first-team all-conference honors. For Level II, Luke McCullough received first-team all-conference honors, and Trent Anderson placed 2nd overall to receive first-team all-conference as well. Thank you to all the adults who volunteered! Without your help, this event would never be able to run this smoothly.

COUNSELORS' CORNER

Mrs. Way has been working with the junior class preparing for the ACT. The juniors will take the ACT on Tuesday, March 3. Elementary, middle school, and high school will begin preparing for the Forward exam, which is a state test that tests the students' academic achievement.

NATIONAL HONOR SOCIETY

Mrs. Way is working on the applications for the National Honor Society. Applications will be coming out sometime in March and are available to sophomores through seniors.

CURRENT ISSUES

The Current Issues class has recently been working with the law. Last week they spent discussing the

Panthers on the Prowl

Sponsored by Carter & Gruenwald Co., Inc.

prison system. They also have been talking about the Innocence Project, which is a group of lawyers who work on cases that involve people who have been put to jail wrongfully.

WRESTLING

Great job to the Brodhead-Juda Wrestling Team on their successful season. Congratulations to Brian McCullough, Jayson Starr, and Jacob Miller on their hard work and dedication to their senior year of wrestling. You definitely will be missed! The 2020 State Wrestling Tournament is Feb. 27-29 at the Kohl Center.

MUSIC DEPARTMENT

The music department is busy working on preparing their music for the NOLA trip. Students also competed in solo and ensemble last weekend. Congratulations to Emily Makos for making it to state with her piano piece and Lydia Bouc for going to state for her musical theatre piece!

MATH DEPARTMENT

This week in Algebra I, students are starting to learn about radicals. In Geometry, students are continuing their house project in SketchUp. In Algebra II, students are starting to learn about linear inequalities and how to graph them. In Pre-Calculus, students are continuing their retirement project while specifying their budget when they retire. In Engineering, students are continuing to replace lights in the high school to minimize energy usage. In Calculus, students worked on test review and more AP Problems. In College Engineering, students are working on various labs that explore various fields of engineering.

ANATOMY

Students in Anatomy and Physiology are continuing their nervous system unit. While learning the organization and functional classification, they have started focusing on nerve tissue. Students are understanding neuron anatomy and identifying the different types of neuron cells.

BOYS BASKETBALL

Last Thursday the boys played at home for parent and senior night against Albany in their last meet and home game of the season. The JV and Varsity only have one conference game left before the first round of playoffs. Their last conference game will be Thursday, Feb. 27, at Black Hawk. After Black Hawk, the boys will play their first regional playoff game on Tuesday, March 3. It is still undetermined who they will play until they are designated a certain seed.

TRACK

Track's first practice is on Monday, March 9. All those interested in going out for track should attend! Make sure to bring the proper equipment for your event of interest.

GIRLS BASKETBALL

Girls' basketball faced a tough match Tuesday night against #3 seed Shullsburg in their first round of regionals. Thank you, seniors, for a great season! Reminder: There will be a basketball banquet held at the school on Sunday, March 8.

ENGLISH

English I will be studying "The Raven" next week. English II is going to be working on punctuation. English III is preparing for the ACT. Oral Communications is working on communicating in relationships. English Honors is doing pre-reading for the Holocaust memoir Night.

MIDDLE SCHOOL

On Wednesday, Feb. 12, Kim Foesch and five of her 8th-grade students traveled to the State Capital to meet with the Committee on State Affairs in regards to Assembly Bill 816. Bill 816 relates to incorporating the Holocaust and other genocides into the state model social studies standards. After sitting in on the committee meeting, students were treated to a special tour of the Capital by Assembly Chief Clerk Patrick E. Fuller.

SPANISH CLUB

The Spanish Club ran a concession stand for the boys' basketball game Thursday, Feb. 20. The proceeds from all of their fundraisers are going to their trip in 2021. Fundraising ideas are always welcome and also rewarded. An incentive for having ideas is class dojo points.

STATISTICS

The Statistics class is learning about testing methods. Mr. Schwab is starting to make bi-weekly visits to each school: Juda and Monticello. These visits help the students learn one-on-one with the teacher versus through the telepresence screen.

PSYCHOLOGY

In the Psychology class, they just took a test about personalities. They learned about Freud's theories of personality and analyzed the ego, super-ego, and id. All of our personalities have these three parts, and they all factor into the decisions that we make.

TEACHER OF THE WEEK

The teacher of the week is Ms. Theresa Wyss, the K-12 art teacher. She is in her seventh year of teaching. Her aspiration to become an art teacher came from her middle school art teacher. Middle school years became a tough time for Ms. Wyss, and her art teacher became an inspiration to her to enjoy not only art but also life. Her love for art stemmed from the desire to do the same for students as her teacher did for her. Her favorite part of teaching art is watching her students try something new. Ms. Wyss's favorite pastimes include painting and cooking.

FORENSICS

Maylee Brauer, Royce Brauer, Mason Mielke, Vanessa Olmedo,

Lia Daniels, Bethany Woodward, Dani Abplanalp, Olivia Cummings, Lily Schmid, Gunnar Riebe, and Brittney Pence are all participating in Forensics this year. These students prepared pieces to perform at the Sub-District competition yesterday, February 24. The results will be in next week's column.

ACT

The American College Testing (ACT) will be held on Tuesday, March 3. Good luck to all the juniors taking the exam! The ACT is now our official state test.

ART DEPARTMENT

This week in the art department the kindergarten is working on learning about shapes and space. The first grade is continuing their weaving project. Second grade is learning how to take a drawing and turn it into a sculpture. Third grade is working on their fiber unit. The fourth grade is working on monoprinting. Fifth grade is learning about the artist Paul Klee. Sixth grade is working on their Rome-themed project. Middle school rotation is working on their problem to be ready for their competition in March. High school art is working on their furniture projects, and all items will be out by Saturday, Feb. 29.

ALL DRESSED UP

The Junior League of Madison is hosting a free prom dress drive on the Madison College--Truax Campus. Online registration is required and open now. To register, go to ADU-Madison.com. The date is Saturday, March 7, from 7:30 a.m. to 4 p.m.

LOCAL SCHOLARSHIPS

Attention seniors! Local scholarship applications are out. Be sure to fill one out by Tuesday, March 24 to be eligible for these great opportunities.

COMPUTER SCIENCE

The Computer Science class has just completed finding the errors in a game's code and has begun a new program. Compared to previous projects, it requires much more thinking on the student's end, as they must come up with and create a new game.

HOLOCAUST

The Telepresence class on the Holocaust is about to complete the unit on understanding hatred and racism. The unit is mostly composed of watching movies with elements of race and hatred in them such as American History X and The Hate U Give. This unit is highly necessary for understanding the Holocaust because it allows the class to understand how systems of such hatred can happen and how to prevent them from happening again.

PBIS

For the month of February, the incentive program theme is Beach Bash! A group of eligible students will be split into two and sent off to claim their rewards. One group will watch beach-themed movies and enjoy ice cream while the other group plays beach games in the gym and then the two groups will switch. The non-incentive students will be sent to the learning commons to focus on their work.

FFA DRESS UP WEEK

Next week the FFA is having dress-up days for National FFA Week. On Monday it's Boot Day, Tuesday is 'Merica Day, Wednesday is Farmer Day, Thursday is Camo or Hunting Day, and Friday is FFA Apparel or Blue and Gold Day.

JUDA RECREATION DISTRICT

On Saturday, March 7 Juda students have an opportunity to go to Sky Zone in Madison. For \$20 per person (includes Sky Zone and meal at Pizza Ranch), students can attend the trip. Students have to sign up at the office by no later than Thursday, Feb. 27. The bus will leave at 3:45 p.m. and return by approximately 9:30 p.m. (Sky Zone 5-7 p.m. and Pizza Ranch 7:30 p.m.). A liability waiver must be filled out for Sky Zone prior to the event. Waivers can be picked up from the office. This opportunity is open to 6th-12th grade Juda school students.

BOY SCOUTS

Spectrum brings state-of-the-art broadband to area villages

Additional construction and private investment expands Spectrum's network to two additional villages, in order to serve more than 1,100 additional rural homes in southern Wisconsin. Spectrum announced today a major construction project to expand its network and full suite of services to three rural villages in southern Wisconsin: Monticello, Orfordville and Footville. The company's network expansion and private investment will bring its high-speed broadband and full suite of Spectrum services to more than 1,100 additional homes and businesses across these rural communities in the coming months.

"Spectrum is pleased to bring our services to the villages of Monticello, Orfordville and Footville," said Ralph Newcomb, Area Vice President in Wisconsin. "These network buildouts

reflect our commitment to bring faster broadband to more residents across Wisconsin communities — many of which are considered rural, with populations under 5,000."

Spectrum's network expansion has begun in the Village of Monticello, and residents can sign up for Spectrum services immediately. The second and third phase of Spectrum's expansion efforts will focus on connecting the villages of Orfordville and Footville, and the company plans to market its services to consumers in these areas in the coming months.

With this network investment, homes and businesses in Monticello, Orfordville and Footville will gain access to the company's full suite of services, which includes Spectrum Internet®, with starting internet speeds of 200 Mbps, and the option for every

home or business served by Charter to upgrade to 400 Mbps service or a 1 gigabit connection. All Spectrum Internet plans have no modem fees, data caps or contracts.

"Projects like this to bring high-speed broadband to rural communities are of critical importance and I commend Spectrum for making an investment in Monticello," said state Sen. Jon Erpenbach.

State Sen. Janis Ringhand echoed the sentiment. "I've participated in listening sessions with constituents outlining the importance and need for broadband. To see plans are in place for Spectrum to serve Orfordville and Footville in the near future is exciting news," she said.

Spectrum TV® will bring extensive programming lineups to the area, with more than 270 HD channels and

a two-way, fully interactive network featuring 18,000 On Demand offerings. Spectrum TV also provides access to the award-winning Spectrum TV App, which allows users to stream content across a growing number of platforms, including iOS and Android phones and tablets, Roku, Xbox, Kindle Fire, Samsung Smart TVs, Apple TV 4K and PCs.

Spectrum Mobile™ is available exclusively to Spectrum Internet customers. Offering the best speeds with the best devices, Spectrum Mobile is designed to provide customers the highest quality experience at great value, including access to next-generation 5G service where available. Customers can save up to 40% on a single line with unlimited data compared to other national carriers. They can also bring their own phone or

choose from among the latest mobile devices and accessories.

Home phone service through Spectrum Voice® provides unlimited local and long-distance calling and the most popular calling features.

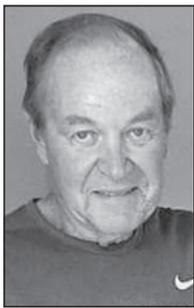

Spectrum's expansion to these three southern Wisconsin villages complements efforts in recent years to connect communities such as Pardeeville, Fall River and Thorp, as well as the Town of King. Spectrum has an extensive Wisconsin coverage area; serving customers in more than 780 communities — and more than 70 percent of those communities have populations under 5,000. The company employs more than 3,800 employees in the state, and has office locations throughout the state, including call centers in Appleton, Fond du Lac and Milwaukee.

Obituaries

GLENN R. BREWER

Glenn R. Brewer, age 75, passed away peacefully surrounded by his family on Wednesday, Feb. 19, 2020, after a courageous battle with cancer. Born Aug. 15, 1944, to Fay and Valliere (Walmer) Brewer in Monroe, Glenn was a 1962 graduate of Albany High School where he excelled in both Cross-Country and Track & Field. He will forever hold the distinction of being Albany's first ever runner to qualify for the state cross-country meet. He placed fourth at the state meet in 1960 and also in 1961 leading his team to a 6th place finish. Glenn continued his running excellence at UW-Platteville earning an outstanding 7 career letters in Cross-Country and Track & Field. He was a member of 2 team conference championships and twice ran in the National Cross-Country Championships in Omaha, Nebraska. He was named UW-Platteville's Athlete of the Week in both cross-country and track & field on different occasions.

He was united in marriage to Joann Lange on Aug. 7, 1965 at the United Methodist Church in Evansville. After his college graduation in 1966, Glenn taught agriculture and driver's education at Bloomington High School from 1966-1971 and then was a Vice President at the Union State Bank in Lancaster until 1973. It was while living in Bloomington that Glenn and Joann would make many lasting friendships including the Meyer family who would become like family still today. After the birth of two

daughters, he and Joann purchased a farm in November 1973 back in the Albany area where both had grown up. They added a son in 1975 and began to develop a herd of registered Holsteins under the prefix of Glenn-Ann. Raising the kids on the farm was important to Glenn and he always enjoyed watching them show cattle through the years. The cows continue to be recognized on the county, state and national level for production and in 2015 Glenn-Ann Holsteins was 1 of only 4 herds in the United States to receive the Herd of Excellence award, being recognized for breeding and developing cows with superior type and production. Just this past week-end Glenn was to be recognized as a 40-year member of the Wisconsin Holstein Association.

Glenn served on many boards through the years including the Bloomington School, Albany School, Union Co-op, Green County Holstein and Union Bank & Trust. He valued the friendship of the Eager family at UB&T starting with his farm purchase and continuing through the generations.

Glenn was an avid sports fan and you could always find him listening or watching a ballgame. He loved his Milwaukee Brewers and Wisconsin Badgers and was a Green Bay Packer shareholder. His love of running was passed down to his son who now coaches cross country and track at Albany High School and Glenn loved to follow their seasons. In 2018, Glenn was fittingly inducted into the Albany Athletic Hall of Fame.

Reading newspapers was an important part of his day and he loved to sit at the table and read them from front to back. He always amazed his kids with the amount of information he could retain, even remembering the page of something he read. His life changed for the better three and

a half years ago when he finally became a Grandpa. He loved his grandchildren so much and was lucky to have them close enough to see daily. Family time was made easier with the kids all involved with the dairy farm and he enjoyed the evenings when everyone just came to eat supper at their house. He was a hard-working farmer who worked right up until he began his cancer battle.

Surviving him are his wife of 54 years Joann, daughter Tami (Brian Behnke), daughter Traci, son Tony (Nicole), and his two very special grandchildren, Jaxson and Kinslee Brewer. He is further survived by his brother, Gary (Colleen), Albany, sister-in-law Jan Brewer, Albany, and many nieces and nephews. Glenn was preceded in death by his parents, brother Roger in 2017, father-in-law and mother-in-law George and Helen Lange, brother-in-law Kenneth, and step father-in-law Alvin Joranlien.

Funeral services will be held at the Albany United Methodist Church, 500 Park Street, where he had been attending, at 11 am on Saturday, Feb. 29, 2020 with Pastor Tom Moe presiding. A visitation will be held at the church on Friday night, Feb. 28, 2020 from 4 p.m. until 8 p.m. and again from 10 a.m. until time of service Saturday morning.

Memorials may be made to Agrace Hospice in Glenn's name or to the family for a fund to be established to continue his love of running.

The family would like to thank Dr Ryan Porter and the staff at SSM Heath Cancer Care in Janesville and the caring staff at Agrace Hospice. An additional thanks to two very special family friends, Mary Jo (Rita) Bergand Jessie (Berg) Butturini for helping all of us through the toughest time in our lives.

"Families that farm together, stay together."

Monroe Theatre Guild presents 'The Lady Vanishes'

Monroe Theatre Guild is proud to present their first full-length production of the 2020 Season, "The Lady Vanishes." Written by Derek Webb, based on the book "The Wheel Spins" by Ethel Lina White, and the 1938 Alfred Hitchcock film "The Lady Vanishes." Directed by Denise Plantenberg and Suzann Holland.

"The Lady Vanishes," part of the Colony Brands performance series, will be performed on the Colony Brands Stage at the Monroe Theatre Guild, 910 16th Avenue, in Monroe. Six performances over two weekends, Friday and Saturday, March 13 and 14 at 7 p.m. and Sunday, March 15 at 2 p.m., and Friday and Saturday, March 20 and 21 at 7 p.m. and Sunday, March 22 at 2 p.m.

A cast of 16 local actors tell the story of an English socialite, Iris Carr, traveling by train through Europe back to England in the 1930's. She befriends an English governess also traveling home to England. Their friendship is cut short however, when the governess suddenly goes missing on the moving train. To

further complicate the disappearance, everyone on the train denies ever having seen the woman. Iris is determined to prove her friend is real, she is somewhere on the train and she is in danger. This classic tale of mystery, deceit, crime and conspiracy, is sure to keep audiences on the edge of their seats. The directors also borrow from the Hitchcock style with iconic cameos by the legendary director.

Tickets are now on sale on the MTG website, www.monroetheatre.com, and at the Monroe Arts Center box office Tuesdays through Saturdays, from 10 a.m. to 5 p.m. More information is available by calling 608-325-1111.

Albrecht Elementary opens kindergarten application process

Albrecht Elementary School is now accepting new four and five-year-old kindergarten applications for the 2020-2021 school year. If you have a child who will be turning four (4) by Sept. 1 of this year he/she will be eligible to attend school in the fall.

You and your child are invited to participate in a special night set aside for incoming 4K children and their fami-

lies. This year 4K Enrollment and Information Night will be held on Thursday, March 5, between 4 and 7 p.m. We are asking that you and your child sign up to attend one one-hour session that evening.

The 4K Team will keep your child company while engaging them in a play based environment in the 4K classrooms. The parent information portion

will be for parents to hear about our program and answer any questions you may have.

If you are interested in enrolling your child, or wish to learn more about our program, please call Albrecht Elementary School at 608-897-2146 or you can email Laurie Sommerfeldt at lsommerfeldt@brodhead.k12.wi.us We are looking forward to hearing from you!
