Wisconsin Farmers Union President Darin Von Rudin summed up the fledgling South Central Chapter's notable achievement at their annual meeting on Nov. 17: stunning growth.

"This is the biggest annual meeting I've been to in Wisconsin in 20 years," Von Rudin told more than 65 members crowded into Sugar River Pizza's upstairs seating in New Glarus.

He and other staff reported back to the local chapter on a long list of activities of the past year and compelling challenges WFU is facing, including stagnant dairy prices in a global over-supply and corporate farming beginning to encroach on local producers around the state.

# Monroe Bantam A takes second at Waunakee tournament

The Monroe Avalanche Bantam A team participated in the Waunakee Wildcat Turkey Shootout Nov. 12-13.

The Avalanche first took on the Dubuque Jr. Saints A. The Avalanche came out strong in the first period with two goals from Cooper Dreyfus and one from Luke Kuberski. Cade Janecke earned a playmaker on those goals. The Jr. Saints turned up the physicality, and the Avalanche weren't able to convert on power plays and lost 5-3.

That afternoon, they next took on Appleton Bantam A. It was a tough game between evenly matched teams. Appleton scored the first two goals, but the Avalanche fought back with two goals by Cade Janecke (assisted by Luke Kuberski and Haley Knauf). The game ended in a 2-2 tie. Overtime ensued with four on four for five minutes. On a faceoff at 1:04 into overtime, Tessa Janecke got it to Alyssa Knauf, who fired from the blue line. On a tip, Hayden Roth scored the winning goal!

A skills competition took place after the last game on Saturday. The Avalanche relay team of Tessa Janecke, Alyssa Knauf, Haley Knauf, and Anika Einbeck placed third out of eight teams.

On Sunday, the Avalanche met up with the Waunakee Wildcats A. The Wildcats were first to get on the scoreboard, but the Avalanche answered with four straight goals from Luke Kuberski, Ryan Molitor, and Cade Janecke for two. The Wildcats scored two more, but came up short as the Avalanche won 4-3 and advanced to the championship game. Goaltender Jayden

Johnson was strong in the net with 34 saves.

The Avalanche had a rematch with the Wildcats for the tournament title. It was a fast-paced game between evenly matched teams. The Wildcats got on the scoreboard late in the first period. Bryce Montgomery, assisted by Brock Kuberski and Haley Knauf, found the back of the net in the second period. Both teams fought hard, and the Wildcats scored with 1:55 left in the game. A timeout was called, and the Avalanche pulled the goalie and put out six skaters. Unfortunately, the Wildcats scored on the empty net, handing the Avalanche a second-place finish in a very competitive tournament. Goaltender Jayden Johnson was again very strong in the net, recording 38 saves.

Congratulations Bantam A team!

# Monroe City Band to hold annual Christmas Concert

Please join the Monroe City Band as we celebrate the holiday season with music! The annual Christmas Concert will be presented Sunday, Dec. 4, at 3 p.m. in the beautiful sanctuary of the Monroe United Methodist Church, 2227 4th Street. The public is welcomed, and there is no admission charge. Donations of non-perishable food items will be graciously accepted at the door for the Green County Food Pantry.

Under the masterful direction of Brian Bruggeman, we'll be presenting a delicious variety of Christmas music. There will be old favorites like Leroy Anderson's "Sleigh Ride," "A Christmas Spectacular," a medley of traditional Christmas carols arranged by Chris Sharp, "The Most Wonderful Time of the Year," arranged

by John Moss, and our traditional sing-a-long, "Merry Christmas Everyone," arranged by Steven Reineke.

We will also include a beautiful arrangement of a little-known, Appalachian folk carol, "Jesus, Jesus Rest Your Head," an innovative arrangement of "O Holy Night," recorded by Mannheim Steamroller, "O Whistle and I'll Come To Ye," by Larry Daehn, and a haunting setting of Greensleeves, entitled "Whisper To Their Souls," arranged by Samuel R. Hazo.

For the classical musical connoisseur, we will perform the "Overture To Candide," by the world famous Leonard Bernstein, along with "Chorale and Alleluia," by Howard Hanson.

Whatever your taste, there will be fantastic

music for everyone to appreciate, and it will surely put you in the mood for the holidays!

As always, there will be refreshments served after the concert in Fellowship Hall. Please feel free to join us afterward to enjoy an assortment of goodies and punch.

The current version of the Monroe City Band was organized in 1949 by the late Allan F. Barnard with the mission to provide music to the Green County area. One of the first appearances of the group was a Christmas concert for the residents, families, and staff at the Green County Home, which is now the Pleasantview facility. The band will continue that tradition this year at 1:30 p.m. with a concert for the residents, prior to their public performance at the church.

# JAM, Mahlkuch Electric recognized

By Aurora Daniels  
CORRESPONDENT  
JAM Academic Cooperative and Mahlkuch Electric received awards from Wisconsin Rural Schools Alliance on Nov. 10 in Stevens Point. The Wisconsin Rural Schools Alliance was formed to aid rural schools in creating quality education for every student. Each year, this organization chooses academic supporters in schools and communities around Wisconsin to receive recognition of all that they have done to help students.

JAM (Juda, Albany, and Monticello) Academic Cooperative certainly has reached this requirement. Each of the school districts involved are from rural areas, and sometimes, that means there are challenges these schools must overcome. JAM helps by providing opportunities for students through technology, innovation, and collaboration. The JAM mission statement is, "Rural collaboration creating endless opportunities." This is lived out by their actions in the school districts.

In 2012, through a partnership with the Wisconsin Technology Initiative, JAM was able to help provide a new learning style in their school districts. Telepresence is used in schools to share classes across school districts. One teacher instructs the class, and students from different districts can learn from that same teacher. JAM had the goal of providing higher level and dual credit courses to their school districts, and with telepresence, they made this possible.

JAM has consistently helped each school district expand their educational opportunities. Wisconsin Rural Schools Alliance honored them with the 2016 Wisconsin Rural Advocacy Award.

Mahlkuch Electric is an electrical contracting company owned by Jeff Mahlkuch, a 1987 graduate of the School District of Juda. Mahlkuch gives back to the community from which he grew up. He donates monetary gifts and provides public support of the music department, athletics, the 4H Club, FFA, and the ForeFathers. Each year, he supplies Christmas

presents to the students and gift cards for the office staff. Mahlkuch Electric also donated an electric meter to the Math and Physics Departments at Juda School. Those materials taught students about lighting and energy savings. In addition to this, Mahlkuch donated his talents to upgrade the outlets and lights in the Juda Community Park concession stand.

Mahlkuch Electric has supported Juda School District staff, students, and community each year. Wisconsin Rural Schools Alliance recognized his commitment and has given this business the 2016 Wisconsin Rural Business Partner Award.

Congratulations to both JAM Academic Cooperative and Mahlkuch Electric on these awards.

### CRANBERRY JUICE MAY LOWER BLOOD PRESSURE

Drinking low-calorie cranberry juice may modestly reduce blood pressure. Participants in a recent study were given either 8 ounces of low-calorie cranberry juice twice a day or a placebo drink. After 2 months, the cranberry juice group showed a 3-point drop in both systolic and diastolic blood pressure. Cranberries, like most berries, are rich in flavonoids, which may help relax blood vessels and improve blood flow. It's important to note the use of low-calorie juice since regular cranberry juice may have high levels of added sugar, which could negate the beneficial effect.

members of Wisconsin Farmers Union; keep fighting for our values," Von Rudin told the members from Green, Rock, and Lafayette counties.

Teaching cooperative business principles to strengthen rural communities is one of the key tenets of the 85-year-old state Farmers Union, and it starts with youth in local day camps and at summer camps in the union's Kamp Kenwood near Chippewa Falls.

South Central Chapter members honored local youth in their annual meeting for earning awards by participating in a variety of Farmers Union activities.

These included the day camp and local meeting

participation and attendance at Kamp Kenwood, a new Solar May Faire Day near Brodhead, the bi-annual Cheese Days Festival in Monroe, and SE Chapter Cookie Exchanges.

The youth judge the cookies and present awards to their bakers, with the next such event set for Thursday, Dec. 8, at 6 p.m. in the Orange Kitten Yarns on the south side of the square in Monroe. The address is 1620 11th Street in Green County's seat of government.

South Central youth also perform community service each year with the Harvest Ninjas food-gleaning project for good causes.

Members of the 2016-2017 Green County 4-H Junior Leader's Group include Vice President Bella Andrews, President Auburn VonKaenel, members Avery Marean and Alex Nusbaum, Secretary Harley Mandel, Treasurer Shad Hanson, and Reporter Royce Brauer.

## Youth invited to join Green County 4-H Junior Leaders group

The Green County 4-H Junior Leaders is a group of older 4-H members who learn independence through decision-making and trying new things. They work to master new skills, leadership roles, and responsibilities that will propel them into their future careers.

The group meets once a month on the last Monday, from 7:30 p.m. at the UWEX in Monroe. Youth in sixth grade and older are always welcomed to join. The club is presently represented by five of the 18 Green County 4-H clubs. Their goal is to

have representation from every club this year.

The group holds one fundraiser a year, which is the Dairy Bar food stand at the Green County Fair. The group uses the food bar as its major community service project, too. The group works to provide a low-cost but awesome variety of tasty food to feed not only 4-H families, but also the fair goers for the entire week of the fair.

Anyone interested in joining the group should contact Ellen Andrews at the UWEX office at 608-328-9440.

## Children's Christmas Benefit coming Dec. 3

The 18th annual Children's Christmas Benefit will be held at the Orfordville American Legion on Saturday, Dec. 3. Many exciting holiday events will highlight this year's benefit.

At 5 p.m., a lighted Christmas parade will proceed through downtown Orfordville.

At 6 p.m., the evening will kick off with a delicious pork chop supper sponsored by the Rock County Pork Producers. Donations will be accepted for the meal. Santa Clause will be on hand for the children. Raffles will be held throughout the evening. The Stateline Playboys will provide entertainment from 8 p.m. to midnight. Bring your entire family for an evening of holiday fellowship and fun!

The toys and gifts collected during this event are distributed discreetly and confidentially among local county children so their Christmas will be merrier. The purpose of the benefit is to give to the kids what they would not otherwise have during the holiday season. One hundred percent of the contributions raised at the benefit go directly back into the

community. There are no administrative fees taken from the fundraiser, and the organization is entirely volunteer-driven.

This event is sponsored by the Rock County Pork Producers, Rock County Dairy Promotion Council, Rock County Beef Producers, Rock County Farm Bureau, Larson Acres, Inc., Rock County 4-H, Seneca Foods, Orfordville American Legion, Country Pride Meats, Stables Bar and Grill, and Rock County Supervisor Brian Knudson.

There is no charge for the evening's entertainment or the meal. Donations will be accepted. All cash contributions will be used specifically for purchasing hats, mittens, boots, clothing, toys, and supplies for children from birth to high school age. The contributions also supply a Christmas meal to each of the families. Community members are encouraged to join in the fun and holiday spirit so that so many deserving children will have a merrier Christmas this year.

Anyone with questions on this event should contact Brian Knudson at 608-897-6726.

# Albany Comets defeat Parkview Vikings, 56-46

By Derek Hoesly  
CORRESPONDENT

The Albany (1-0) boys' basketball team used a second-half blitz en route to a 56-46 win over Parkview (0-1) in the season opener for both squads last Tuesday.

"It's great everybody saw the court and everybody was a big part of the win" coach Derek Allen said. "It just feels good. It's nice to go into the locker room where all the kids were excited and everybody had a part in it."

The early stages were a seesaw battle. At the 12-minute mark, the Comets went on a 7-0 run to go up 14-9. Senior Connor Trow buried a three to spark the surge. Sophomore Corbin Kelley attacked the rim for a conversion to cap the momentum swing.

The Vikings responded with a 6-0 run to retake the lead. Sophomore Justin Balch ignited the run with a three off a drive and kick. Senior Allen Rodriguez collected his own miss and went right back up for a conversion to end the run.

In the final eight minutes, both teams exchanged blows with neither getting any separation. The score would be tied four times over the final minutes. Albany made a concerted effort to get

the ball inside with several post touches throughout the game.

Sophomore Eli Hoscheit converted a drive to put the Vikings up 25-23. Comets' sophomore Jamison Stauffacher answered with a putback on the final possession of the half. Stauffacher provided energy for the Comets as he crashed the glass, grabbing a number of rebounds, along with seven points.

"Stauffacher is a new guy to the varsity level but a very scrappy player," Allen said. "He's sort of unorthodox, so I think he kind of takes people by surprise with some of his moves. It's huge for him. I was just counting the rebounds. He had a ton of rebounds tonight, and that's what we need. I think in our conference in particular, having Jamison and Logan Ross that are 6'3" and 6'4" is going to be a huge advantage for us throughout the year."

The game-changing run came four minutes into the second half. With the score tied at 32, Albany erupted on a 17-3 run to take a commanding 49-35 lead. Senior Brock Gilkes fueled the run with

a three, which was just the start of his hot shooting in the second half. On the Comets' next possession, Gilkes hit one of three free throws but Albany collected the missed third free throw, and the Comets capitalized. Gilkes drilled a three for a four-point possession.

"I think we knocked down a couple shots," Allen said. "We must have had like two threes in there that we really didn't have rolling in the first half, but I think our pressure got to them a little bit. They either turned the ball over or started taking shots that we wanted them to take, and that's the plan."

Senior Jade Noble briefly halted the Comets' momentum and connected on a three. Albany then put the hammer down and went on a 10-0 run to go up 49-35 with just over eight minutes left in regulation. Sophomore Josh Dahl ignited the run with a jumper, and Gilkes capped the burst with a top of a key three. Gilkes knocked down three three-pointers in the second half.

"Brock is a senior leader for us," Allen said. "His teammates

feed off of him in practice and in games. When he gets hot, he has a tendency to bring the rest of the team on him so that was great to see. He hit some big shots."

The Vikings cut the lead to 11 on a couple of occasions down the stretch. Noble drilled a long ball to make the score 51-40. Parkview coach Mike Striegl was overall happy with his team's effort.

The Comets' lethal press created turnovers that led to transition opportunities. Parkview never got into any rhythm on offense in the second half, as Albany limited them to 21 points after intermission with several coming in the opening minutes.

"My hope was our press wore them down as the game went on

-- that's kind of our plan," Allen said. "It's like a boxer with body blows. Hit them with body blows; then, when you get to the end of the fight, you're in better shape than them. That's what we were hoping -- that the pressure that we put on in the first half put us in good position in the second half to go on the run like we did tonight."

Gilkes led the Comets with 19 points, including four threes. Kelley added 11 points for the Comets. Trow chipped in eight points, including two threes.

Noble led the Vikings' offensive attack with 13 points, including two threes. Hoscheit added seven points, and junior Dylan Schoen chipped in six points on two threes.

## Monroe Noon Optimists to Host Santa Reception

Parents should mark their calendars now for the annual Santa Reception on Friday, December 2, 2016 immediately following the Lighted Christmas Parade in downtown Monroe.

The Lighted Christmas Parade is at 6:00PM stepping off from the Monroe Middle School before heading to the downtown and around the Historic Courthouse Square.

As expected the stars of the parade are Santa and Mrs. Claus. After Santa and Mrs. Claus have a few moments to catch their breath, children and their parents will be able to visit with them in the lobby of Wisconsin Bank and Trust at 1717 10th Street Monroe.

While waiting to have their complementary picture taken with Santa Claus, children are encouraged to visit several craft tables to make fun items to take home. Carolers will also be on hand to set the mood of the season. Mrs. Claus, a special surprise friend of Santa's and area Dairy Queens will be making the rounds throughout the evening.

There will also be hot chocolate and treats for all, as well as a small gift for each child to take home with them!

# Green County Volunteer Network set to launch

Interested in getting involved but not sure where to start? Curious as to how your skills and strengths can be used to make a positive impact on Green County communities? The new Green County Volunteer Network, launched yesterday, Tuesday, Nov. 29, will be an easy way to get connected with a wide variety of opportunities throughout Green County. The network will also enable organizations to reach out, build their volunteer base, and engage more people.

"We have so many people with so many skills and talents. This new network will enable people to find ways they can help make our communities stronger - while meeting new people and having fun," said Arianna Meier with the City of Monroe. This intuitive, easy-to-use, web-based platform enables community members to search for opportunities based on interest, skills, and abilities. The network showcases volunteer opportunities and charity events.

Part of the goal of the volunteer network is to make it easy for new residents to get connected and quickly build relationships with Green County communities.

"We know that when people have strong community connections they have a higher quality of life and are more invested in our communities. This increases and encourages people to stay in Green County. As we improve our communities, we make Green County even more attractive for recruiting a competitive workforce and growing businesses," said Cara Carper with the Monroe Chamber.

Another goal is to use this as an opportunity to build leadership skills and community capacity. "One of the important benefits of this network is that as we engage more people, this is an opportunity to grow the next generation of Green County's leaders. This makes our communities stronger for the future," said Victoria Solomon with Green County UW-Extension.

Interested in taking a peak before the official launch? Check out [www.volunteergreencounty.com](http://www.volunteergreencounty.com). If you are part of a non-profit organization that has not connected with the network, please contact Victoria Solomon to be set up.

This county-wide network is made possible through a partnership between United Way Green County, Green County UW-Extension, the City of Monroe, the Monroe Chamber, and Green County Development Corporation.

If you have questions, contact Victoria Solomon, Community Resource Development Educator, at the Green County UW-Extension office at (608) 328-9440 or via e-mail at [victoria.solomon@ces.uwex.edu](mailto:victoria.solomon@ces.uwex.edu).

# Holiday Gift Guide

## Holiday cooking and gift ideas for foodies

(StatePoint) Whether one aspires to culinary greatness or prefers whipping up cozy family meals, all cooks appreciate quality kitchen equipment. Here are some ways you can beef up your kitchen in time to prepare large holiday feasts, and some ideas to help you shop for the chefs and foodies in your life.

**Cutting boards**  
The right cutting board should last for decades, neither warping nor splitting. It should also not dull one's knives. Seek out a cutting board that is stable on your countertop and will respond well to your particular set of knives. Maintain wooden cutting boards by regularly oiling them in order to reduce their porousness.

For meats, look for high-quality plastic cutting boards, which are easy to sanitize. Just be sure to toss these cutting boards after they are worn out, as they are more prone to harbor bacteria after wear and tear.

**High-quality cookware**  
Go-to staples need to be high-quality and highly-functional. A fry pan, for instance, should heat evenly, be very responsive to temperature, and ideally be ergonomic.

While great cookware such as this usually comes with a premium price tag, you can usually capitalize on good deals at this time of year.

For example, Hammer Stahl, an American made kitchenware brand known for quality and performance, is currently offering a two-piece set of stainless steel multi-clad fry pans (8.5-inch and 10.5-inch) with a lifetime warranty at half the regular price, giving holiday shoppers an opportunity to affordably stock up kitchens with premier go-to pans. Great for frying, sautéing, searing and browning, their flat

bottoms and curved sides make tossing and flipping food easy.

**Immersion blender**  
Space-saving, versatile and affordable, an immersion blender is perfect for any cook, however many people find their kitchens without one. Perfect for creating smooth purees, soups, and pesto, they also require less clean-up than full-size blenders or food processors, something to keep in mind when prepping a complicated holiday feast, or looking to simplify weeknight dinners.

**Professional-quality cutlery**  
Good knives are the foundation of a well-equipped kitchen. No other tool will improve the joy of cooking quite like a good chef's knife. A dull, awkward knife is not only a hassle to use, but dangerous too.

Both advanced chefs and beginner cooks will benefit from top-quality high-carbon, stainless steel knives, such as the new Hammer Stahl 6-inch chef knife and the 5.5-inch Santoku knife.

Made in the tradition of the great German knife makers, the handles are ergonomically designed with a comfortable grip to reduce fatigue. All Hammer Stahl knives are heirloom quality and guaranteed for life. For more information, visit [hammerstahl.com/holidaygiftguide](http://hammerstahl.com/holidaygiftguide).

"These are not intimidating knives. A shorter blade gives you more control over the knife, and is excellent for most basic tasks like slicing vegetables or chopping fresh herbs," said Bobby Griggs, vice president, Hammer Stahl.

This holiday season, treat yourself and loved ones to top-quality kitchen gear that can pave the way to better cooking.

## Holiday gift-giving guide for everyone on your list

(StatePoint) Everyone has had to scurry around to find a last minute holiday gift at some point, whether you procrastinated, you were searching for the perfect gift or you forgot to add someone to your gift list, but don't let these scenarios cause you stress.

The discount experts at Dollar General are offering advice to help you find something for everyone this holiday season.

**Those who have everything**  
For the family and friends who have everything, consider purchas-

ing small decorative items for them to use around their homes. Blankets, candles, picture frames and even holiday decorations are great last-minute items recipients will enjoy.

Food baskets with delicious snacks and holiday candy placed in a decorative canning jar are simple, affordable and useful items that are sure to make loved ones smile this season.

**Great go-to gift items**  
For recipients who are hard to shop for, gift cards and technology items are great go-to gifts. Consider headphones, DVD players and TracFones.

Gift cards to favorite restaurants, retail stores and coffee shops are always a great choice, giving them freedom to choose exactly what they want.

**Gifts for mom and dad**  
Don't forget about mom and dad this holiday season. For Dad, save on Emerson men's gifts like outdoor lanterns, portable tools for camping and winter clothing. You can also find sleepwear, scarves and handbags that are sure to make Mom happy this holiday.

Happy holidays and happy shopping!

## Slowing down to shop small this holiday

By Nancy Flock  
CENTER FOR RURAL AFFAIRS  
I recently attended the North Platte, NE, Shop Local Kickoff event, featuring state and local proclamations highlighting the importance of shopping local brick and mortar retail stores. The event made me think about my holiday shopping.

This year, I'm challenging myself to make local purchases and encourage everyone else to do the same. I say challenge because I get it - it's

often faster and less expensive to go online. But that route wastes our power to use our purchases to make a difference in our communities.

Moreover, shopping online is not always the best deal. Often, the price that drives you to click "add to cart" isn't so great after you checkout and pay shipping. After waiting for the item to arrive, you may not even like what you bought.

When you shop at a local retailer, you know what you're buying, and who you're buying from. The local

small business owner you support is creating jobs, paying local taxes, and will often be one of the first to throw down sponsorship bucks for community events like a 5K fun run or a local celebration.

This shopping season, I'll be getting on my feet and into small businesses when I'm searching for gifts for my friends and family. I know I'll find something unique. By supporting a local business, I'm making a big impact in my own communities - that's what I call value. I hope you'll join me. When small businesses thrive because of your support, everyone wins!

The Rural Enterprise Assistance Project provides lending, training, networking, and technical assistance opportunities for start-up and existing small businesses. All SBA funded programs and services are extended to the public on a non-discriminatory basis. Reasonable accommodations for persons with disabilities and/or persons with limited English proficiency (LEP) will be made if requested in advance.
