## Juda-Albany Panthers win state championship

By Derek Hoesly  
CORRESPONDENT

The 2017 Juda-Albany softball season will go down in the history books as the greatest; the Panthers won the Division 4 State championship last Saturday afternoon at Goodman Diamond. The one-seed Panthers (27-2 overall, 14-1 Six Rivers) beat two-seed Pacelli 2-1 in a thriller that went down to the final out.

"It hasn't sunk in yet, but it sure sounds amazing when you say it. It's something that I don't know will ever sink in, but what a job these kids did," coach Bill Davis said. "They had their backs against the wall many times defensively and came up with plays and came out with the championship. That's awesome."

"It's still surreal for me. It's unbelievable that we came out here and we made our goal," an emotional senior Sayde McDermott said. "This is now icing on the cake, so I'm out of words for this."

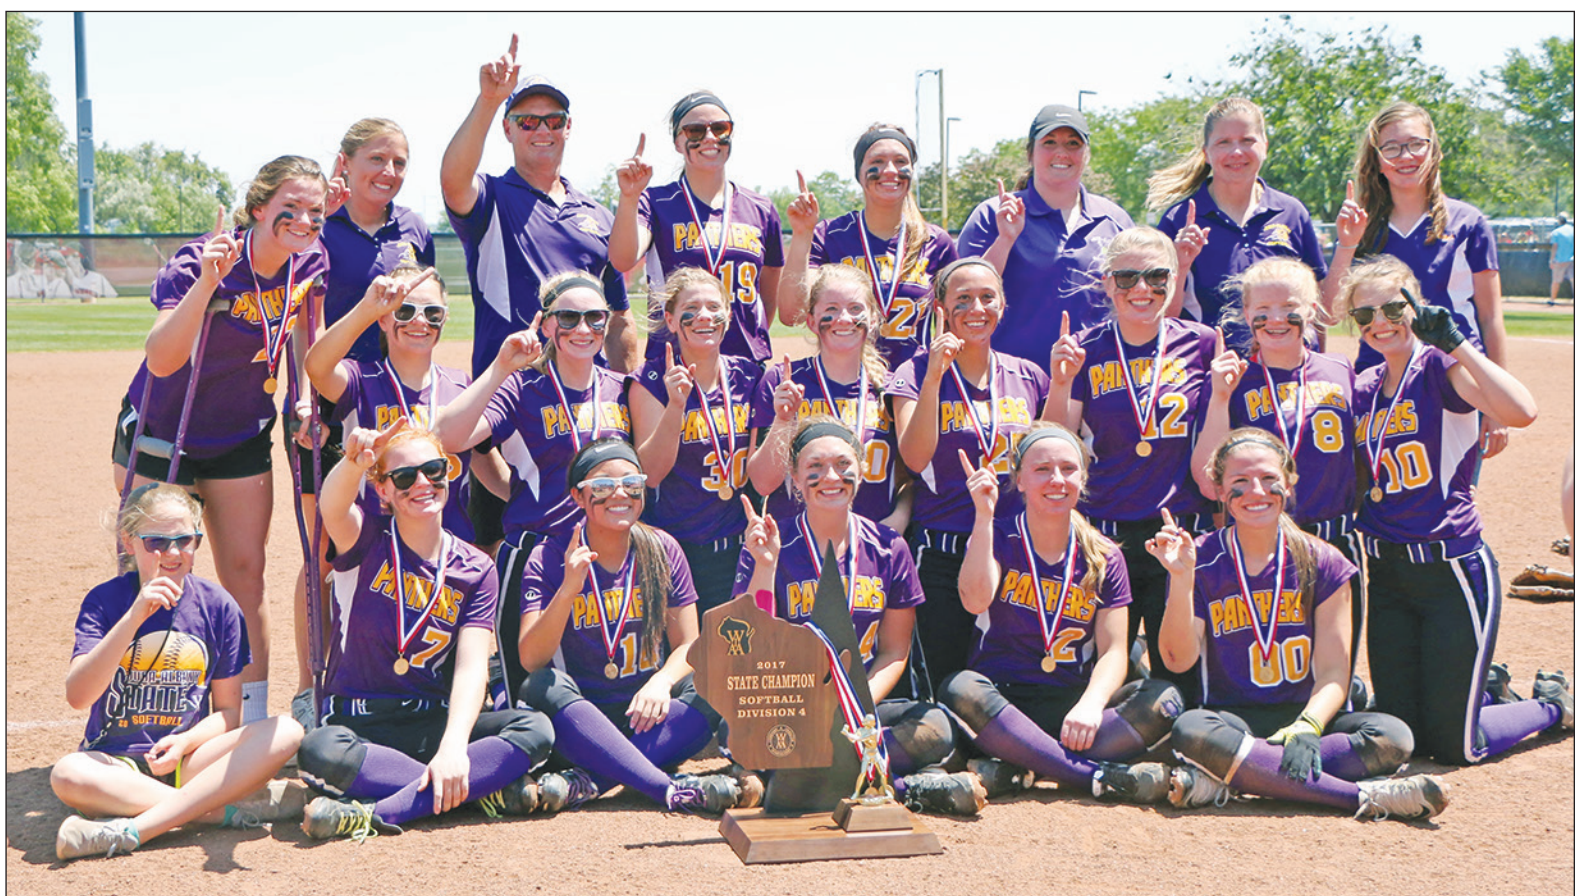

"It sounds so unreal right now. I'm still in that shocked phase," senior Chelsea Burkhalter said. "It is such an amazing feeling to be a part of school history. Becoming state champs is so unbelievable."

"It hasn't sunk in yet. It's so surreal. I was bawling on the field because I was so happy," senior Alexis Goecks said. "It's been four years in the making, and I'm so glad that we got to come back and redeem ourselves."

"It's a dream come true. It's the best thing ever," senior Sara Jordan said. "It's amazing -- the fact that we did it. It's a huge accomplishment for our school and our community."

"It's amazing. This is certainly the best feeling of the season. Our program has really grown over the past few years with all of our talented players," senior Riley Adkins said. "We have an amazing coach. The fact that we were able to win a state championship is just incredible."

Juda-Albany generated a scoring threat in the bottom of the first. Goecks was plunked with a pitch to open the frame. Burkhalter laid down a sacrifice bunt to advance Goecks into scoring position. Pacelli starter Brook Nagorski then delivered some nasty pitches to strike out Jordan and McDermott swinging. The Panthers chased several rise balls in the early innings.

Juda-Albany drew first blood in the championship with a run in the bottom of the third. Goecks, who had a monster state tournament, ripped a triple into right field with one out. Coach Davis decided to put on the safety squeeze with Burkhalter, but the Cardinals made the defensive play. Nagorski quickly pounced on the bunt and held Goecks at third before firing to first to get Burkhalter. Jordan then delivered her biggest two-out RBI base hit of the year as she lined a shot into centerfield to plate Goecks.

"People don't realize she kind of cut her swing down at times and put it in play a little bit more," Davis said. "Last year, her power numbers were a little bit better, but this year, her average was a lot better and she had a lot more RBIs. She made that adjustment this year and was a clutch hitter for us

all year."

"The first time, I struck out, so the second time, I was like, 'I have to put the ball in play,' Jordan said.

"We weren't hitting right off the bat so we really needed someone to step

up and Sara definitely stepped up with that huge two-out RBI hit. Once she made that hit, everyone was like, 'We can do this,'" Burkhalter said.

Juda-Albany starter junior Nicki Becker came out on fire as she retired

the first nine Cardinals in order with five strikeouts.

Pacelli had a golden scoring opportunity in the top of the fourth. Teesa

## Wayne and Christine Dieckhoff married 50 years

Fifty years of the good life will be celebrated by Wayne and Christine Dieckhoff on June 17 with their friends and family.

Wayne and "Chris" (Dorsen) were married on June 10, 1967, at St. John's Lutheran Church, Rodenburg Ill. The crazy couple met in grade school when Chris moved to the area. They parted ways through high school and college (Wayne was serving our country during this time) and

found each other again in 1966.

They have been happily married for at least 3 of these years. They farmed in Illinois for 10 years before they bought their Brodhead farm.

The couple have two wonderful children, Anthony (Jamie) Dieckhoff and Ellen Rienton. Five grandchildren, Ethan, Carter and Claire Dieckhoff, and Hannah and Jacob Rienton complete their precious family.

## Nutrition education program changes to meet needs of new audiences

A successful nutrition education program is getting a new name to make it relevant and accessible to more audiences.

FoodWise, formerly known as the Wisconsin Nutrition Education Program, or WNEP, has a long legacy of providing nutrition education to Wisconsin families and individuals with limited incomes. While the program remains strong, much has changed at the national, state, and local level since it first began.

"We wanted to move away from an acronym that holds little meaning for program partners and our target audience," Amber Canto, the state coordinator for the program, said. "Our goal was to move closer to an action-oriented name that reflects our purpose and intended outcomes, as well as focus on a relevant digital presence."

FoodWise, University of Wisconsin-Extension's nutrition education program, is a federally funded

effort that seeks to empower Wisconsin residents with limited incomes to make healthy choices to achieve healthy lives and reduce health disparities. Program funders include the Supplemental Nutrition Assistance Program-Education (SNAP-Ed) and the Expanded Food and Nutrition Education Program (EFNEP).

In 2016, FoodWise worked in 66 of 72 Wisconsin counties. FoodWise employs a combination of tested educational strategies designed to help people choose healthy foods and active lifestyles.

FoodWise nutrition educators work out of county Cooperative Extension offices and in collaboration with state and local partners.

To learn more, contact Lisa Messer at the Green County UW - Extension office at: 608-328-9440 or [www.green.uwex.edu/nutrition](http://www.green.uwex.edu/nutrition) and visit the FoodWise website.

# Championship (Continued from front page)

Shafranski reached on a Panthers' error as McDermott's throw was high to first with one out. Cailin Firkus smoked a comebacker off Becker's ankle to put runners on first and third. Maddy Hintz pulled a chopper to McDermott near the foul line; McDermott couldn't glove it cleanly, allowing Pacelli to load the bases. McDermott made up for those two errors as she caught the next two popouts to get out of the jam.

The Panthers added an insurance run one inning later. Becker hammered a double to the left-field corner to open the frame. Junior Hailey Kammerer advanced pinch runner sophomore Briana Crull to third with a perfectly placed sacrifice bunt. Junior Sammi Detra came through with a key infield RBI base hit to second to put the Panthers up 2-0.

"That was huge. We tried bunting earlier in the count, but with two strikes, she cut her swing down and put the ball in play. She had an amazing at-bat and drove that run in, which put us up two," Davis said.

"Sammi did her job. That's exactly what we needed her to do in that spot: put the ball in play. She's a wonderful hitter and a great catcher," McDermott said.

Pacelli generated a scoring threat in the top of the fifth. Sophie Schroeder tattooed a one-out single into left field. The Panther's third error of the game put runners on second and third. Paige Hintz then hit a comebacker that Becker fielded cleanly. Schroeder was hung up in a rundown that resulted in a 1-5-2-6 putout for a crucial second out. Becker got in on the hands of Amanda Klasinski for a soft comebacker to wiggle out of the jam.

Juda-Albany got out of another mess in the top of the sixth. Maddy Hintz connected on a hard grounder to second that senior Riley Adkins couldn't field cleanly. Christonna Shafranski rolled over on a slow grounder to Goecks, who waited back on the grounder. Shafranski beat the throw for an infield hit.

The Panthers picked each other up again as Becker struck out Karah Kluck on a nasty rise ball. Adkins redeemed herself as she fielded Emma Kulick's grounder smoothly and fired a strike to first to get out of the inning.

Juda-Albany had a chance to tack on some insurance runs in the bottom of the sixth. Becker blooped a base hit into shallow left center with one out. Kammerer laced a single into centerfield. Nagorski came up clutch as she retired the next two Panthers on a strikeout and infield popout.

With all the Panthers fans standing and on the verge of the program's first state title, the top of the seventh didn't start the way Juda-Albany had hoped. Schroeder pulled a grounder to the surehanded Goecks, but Goecks couldn't get a handle to make the throw. Becker retired the next two Cardinals on a popout to Goecks near the foul line and a groundout to McDermott. Becker uncorked a wild pitch, allowing Schroeder to cross home plate. Shafranski slapped a ball to McDermott, but with the Panthers in a slightly different defensive alignment, nobody was covering

first. A wild pitch advanced scoring position.

The title game would come down to the last out. Becker delivered a tantalizing changeup that had Firkus out in front, which resulted in a grounder to third. McDermott sucked up the chopper and fired a strike across the diamond to seal the Panthers' first state title in program history.

"I wanted it so bad. I wanted to redeem myself. I've never overthrown first in my senior year and of course, it came in the biggest game so it was nice to redeem myself in that final throw," McDermott said.

"Make the one out that counts. We talked about this beforehand and about picking each other up and making sure we don't get down," Davis said. "The kids never point fingers. It's easy to do in that situation, but nobody pointed fingers. McDermott's play at the end of the game was huge."

Becker earned the win, going seven dominant frames and surrendering four hits, zero walks, one run, and zero earned runs while recording eight strikeouts. Becker finished the year with a splendid 26-1 record and a sparkling 1.10 ERA.

"Right in the beginning, she was crisp. She wanted this state cham-

pionship so much. She was the best she could be today. We couldn't ask for a better pitcher," Burkhalter said.

"Nicki always picks us up. She is a really big player for our defense, and she takes a lot of pressure off us defensively so we can play our game and have fun. I would never trade Nicki for anyone, no matter who it was," Adkins said.

"Just amazing, calm, cool under pressure. You can't coach that.

That's just something she possesses, and I'm so proud of her. The performance that she had out there today was amazing," Davis said.

Cardinals' starter Brook Nagorski suffered the tough-luck loss, going six frames and giving up seven hits, zero walks, two runs, and one earned run while punching out eight Panthers.

Congratulations to the Juda-Albany Panthers on an outstanding season.

# Panthers win state semi-final

By Derek Hoesly  
CORRESPONDENT

The Juda-Albany Panthers' (26-2 overall, 14-1 Six Rivers) lethal lineup displayed their countless offensive weapons under the lights on the grandest stage in a 13-4 victory over Phillips in a WIAA Division 4 State semifinal game at Goodman Diamond. This will mark the softball program's first ever state championship game appearance.

"It hasn't sunk in yet. It's such a great thing," coach Bill Davis said. "I'm so happy for the kids, but it just hasn't hit us yet that we're able to play for a state championship. You get to the game and you hit the ball well, and anything can happen."

"I never thought coming into high school that I would be going into a state championship game my senior year. I don't think it will ever sink in," senior Alexis Goecks said.

"It's unbelievable. There are no words to describe it. It still hasn't settled in. That's been our goal all year -- 1-0 -- and when we go by that motto, there's nothing we can't do," junior Hailey Kammerer said.

Goecks opened the game with a bang as she drilled a loud triple into right center. Senior Sara Jordan put

down a bunt to the left of the mound for a base hit. Jordan took the extra 60 feet when Phillips starter Morgan Edwards looked Goecks back at third and relaxed.

"It's nice to come into a state game and have that one big play to start the game and get your team going," Goecks said.

"She was great just bringing the energy and getting on base and setting the tone for the rest of the team," Kammerer said.

"Alexis starting off with that triple, and then getting a bunt down to put a little pressure on them was huge," Davis said.

Senior Sayde McDermott lined a clutch two-run base hit into centerfield to give the Panthers the early momentum and get the already pumped-up Panthers fans to their feet. Edwards retired the next two Panthers on a lineout and flyout to escape further damage.

"McDermott's approach was what we talked about: hit strikes and swing at strikes," Davis said. "You're going to have more success if you swing at strikes and lay off the pitches outside the zone. That sounds simple, but it's not always that simple when you've got all that pressure on you and the crowd and everything. I thought the kids handled that very well."

"My approach was to get on base. I had my bat, my secret weapon. I found my secret weapon over this past week and I got up there and I'm like, 'I got this.' She doesn't pitch anything that I haven't seen before, so let's get it done," McDermott said.

The state defensive jitters showed in the bottom of the first as the Panthers committed two errors. Edwards lifted

a fly ball into left field that junior Mad-die Roth misjudged for a two-base error. Ashley Kilty then moved Edwards to third with a productive groundout to second. Lorren Sauter pulled a chopper to Panthers' third baseman McDermott, who didn't field the grounder cleanly, allowing Edwards to race home. Juda-Albany starter junior Nicki Becker recorded consecutive strikeouts to limit the damage. The Panthers returned to their stellar defense after the first inning as everybody contributed over the final six frames.

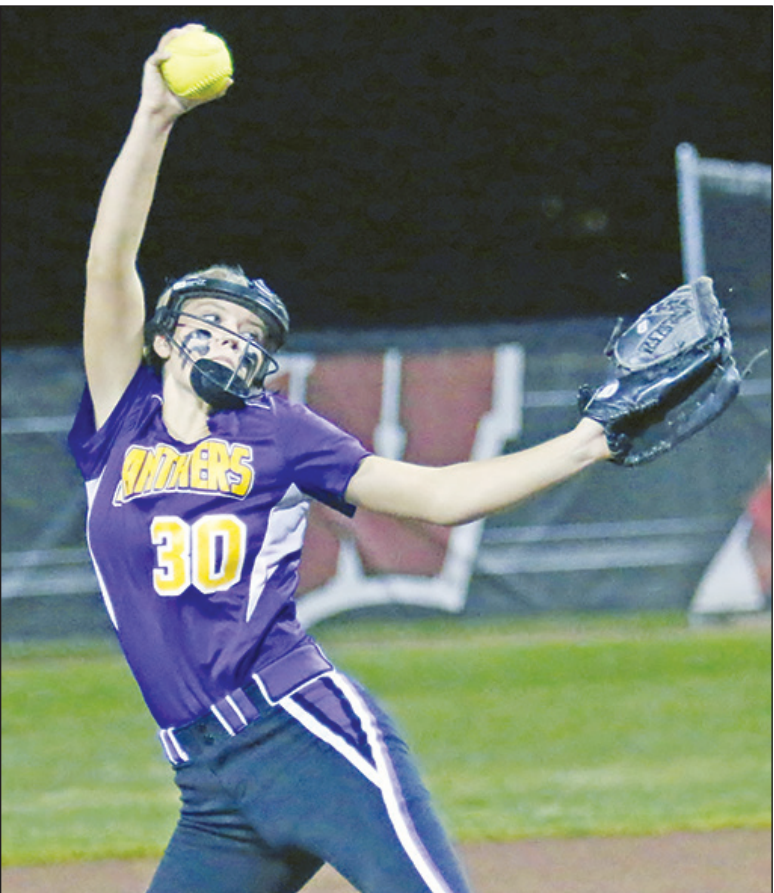

When asked about the Panthers' defensive miscues in the first inning Davis stated,

Edwards kept the Panthers' bats in check over the next three innings. She retired nine out of ten Panthers with two strikeouts.

Becker was just as dominant over that stretch as she faced the minimum, including three strikeouts. Juda-Albany turned a key double play in the third inning. Edwards popped out a bunt to Becker, who fired to first to double off the runner. Becker got huge mileage out of her nasty rise ball in the early frames.

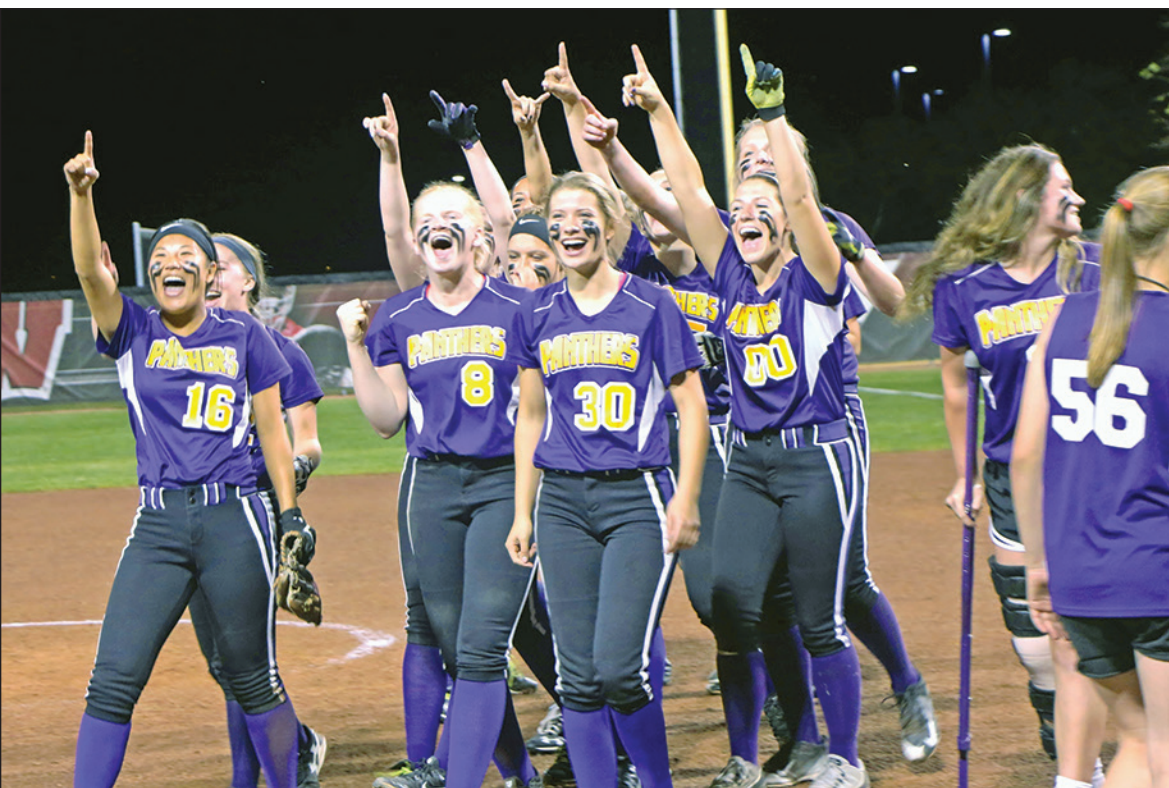

Juda-Albany exploded for six runs in the top of the fifth to take a commanding 8-1 lead. Senior Riley Adkins drew a one-out base-on-balls. Goecks displayed her bat skills with a picture-perfect bunt to the right of the mound, just past Edwards. Senior Chelsea Burkhalter worked a lengthy at-bat that resulted in a walk to load the bases. Edwards uncorked a wild pitch to make the score 3-1. Jordan drilled an RBI base hit to centerfield to extend

the lead to 4-1.

The Panthers' patience continued as McDermott drew a walk to load the bases. Becker took Edwards's first offering into deep centerfield for a sacrifice fly. Kammerer drilled an opposite-field RBI single into left field to plate Jordan. On the ply, the ball got by left fielder Brook Bogdanovic and rolled to the fence to allow a second run to cross home plate. Junior Sammi Detra capped the six-run outburst with an RBI base hit into centerfield.

"We knew that in order to keep in the game, we had to stay aggressive. We needed to get a few runs in every inning, and just keeping that mentality of getting runs really helped," Kammerer said.

"Our team has been known all season -- when we see a pitcher the second time, we hit the ball a lot better. We hit the ball actually pretty well the first time through the lineup tonight," Davis said. "We were putting the ball in play quite a bit, so it was just a matter of getting the middle of it a little bit more. So later in the game, we saw more pitches and saw what she was doing. We had good approaches and hit the ball really good."

The Loggers answered with two runs

in the bottom half of the inning. After retiring the first two Loggers quickly, it looked like Becker was going to have a quick inning, but Phillips had a different idea. Megan Polster connected on an opposite-field single into right center, and nine-hole hitter Mikayla Kosmer received a rare free pass. Edwards then lifted a fly ball into shallow left field that Goecks tried to make an over-the-shoulder basket catch on, but the softball found the grass to plate the Loggers' second run. Kilty smoked an RBI base hit into centerfield to cut the Panthers' lead to 8-3. Becker retired Sauter on a popout to second to end the frame.

The Loggers' momentum was quickly erased as the Panthers responded with two crucial runs in the top of the sixth. Burkhalter laced a single to centerfield. Jordan followed with a second straight single right back up the middle. Centerfielder Sauter's relay throw was off the mark and went out of play, allowing Burkhalter to come around to score.

Moments later, Edwards unleashed a wild pitch. Juda-Albany capitalized on all five Loggers errors.

"They're not a bad team, and good teams come back. So you always have

to be on your toes, but just making that statement: we're still here to play," Goecks said.

"Phillips had a little bit of momentum built up there, and who knows what kind of offense they can produce if we don't answer back. We kind of put a little halt to their momentum," Davis said.

The Panthers tacked on three runs in the top of the seventh. Kammerer tattooed a base hit into centerfield and advanced 60 feet on a well-executed sacrifice bunt by Detra. After junior Haley Freitag drew a walk, Adkins clubbed an RBI single into left field. A second run came home on another Loggers' error. Goecks closed out the Panthers' scoring with an RBI groundout to first.

Jordan paced the Panthers' offense, going 3-for-4 with three runs scored and one RBI. Kammerer also had a monster game with the bat, going 3-for-4 with two runs scored and one RBI. Goecks went 2-for-5 with two runs scored and one RBI in the leadoff spot. The Panthers banged out 13 hits.

"There were all nice clutch hits. She (Kammerer) set the table and also had an RBI hit. She was taking good approaches, good swings, and being confident," Davis said. "I think the

last game or two she's been down and not getting hits, and to come up with those hits and get her confidence back is huge."

"This year, I really wanted to be aggressive at the plate. My freshman year when we came to state, I got out at third off of a big hit, and I really wanted to redeem myself. I was really happy that it happened," Kammerer said.

Becker earned the win, going seven solid frames and surrendering six hits, two walks, four runs, and three earned runs while recording eight strikeouts.

"She (Becker) did a good job commanding most of her pitches. Phillips is a good hitting team and got to state for a reason. She was just overthrowing a little bit in the fifth but still pitched a pretty good game."

## Area 4-H clubs help clean Cadiz Springs

On Saturday May 13, the Friends of Cadiz Springs held their annual cleanup day. Joining them this year as a community service project was the Next Generation and Hiawatha 4H Clubs of Green County. The groups tackled painting stair rails, picking up trash and sticks, walking the trail for downed trees and trash, cleaning grills, sweeping out bathrooms and shelters, cleaning up the volleyball area and hanging the net, raking the beach and play area, putting down new mulch, and building a new swing before enjoying a picnic lunch. Anyone interested in more information regarding the Friends of Cadiz can contact Bryan Buri at 608-966-1515, and if you're looking to join a 4H club, contact our Green County Educator, Ellen Andrews at 608-328-9440.

## DOROTHY ELLEN COOLEY

Dorothy Ellen Cooley, 85, went to be with our Lord on Tuesday, Dec. 13, 2016, at the Cedar Valley Hospice Home in Waterloo, Iowa, surrounded by her children.

Dorothy was born June 10, 1931, in Grundy Center, Iowa, the daughter of John O. and Anna (Arends) Ash. She made the smartest decision of her life when she married Donald John Cooley on June 15, 1949, in Waterloo, Iowa.

As a young woman, she was quiet and very shy. Her husband told her she needed to talk to people. We have often wondered if he regretted that advice. After she became a mother, she became a force to be reckoned with, especially if someone threatened her children. She was definitely a Mama Bear protecting her cubs.

Being an Army wife, Dorothy was fortunate to have lived in many different places. She lived in Iowa, California, Kentucky, Germany, Wisconsin, and Arizona. She moved back to Iowa following the death of her husband, purchasing the house her parents had lived in.

Dorothy had many jobs including at Apco, Brodhead, Wis., and Wal-Mart, Monroe, Wis. But her favorite job was being the librarian in Brodhead Junior High School, Brodhead, Wis. She enjoyed helping and in-

teracting with the students, many of whom she called "her kids." One of her favorites was Kenny Stewart, who had kept in contact with Dorothy over the years.

Dorothy had a myriad of interests throughout her life. She enjoyed reading, watching movies, traveling, gambling, and visiting with family and friends. This woman who started off as a quiet, shy, young lady had friends everywhere she went. She was very competitive when it came to playing cards. She was interested in politics. While living in Brodhead, Wis., she was involved with the Girl Scouts of Wisconsin - Badgerland Council, AFS, the Brodhead Historical Society, and the Order of the Eastern Star. Dorothy was very proud to be an American and supported various Veteran associations. She was an avid Green Bay Packer and Wisconsin Badger fan.

Dorothy is survived by her favorite son, Donald Wayne, her favorite oldest daughter, Debora (Frank) Cates, her favorite middle daughter, Donna, all of Jacksonville, Flor., her favorite youngest daughter, Denise Sacker, Fort Wayne, Ind., her favorite grandson, Jonathan Cates, Jacksonville, Flor., and the son of her heart, Larry (Sherri) Sacker, Fort Wayne, Ind.; brother Bill (Wilma) Ash, Grundy Center, Iowa; sisters, Judy (David) Venenga, Belen, NM and Jane (Dennis) Sealman, Grundy Center, Iowa; special friends, John and Sharon Wagner, Carroll, Iowa; aunts, Hilda White, Marshalltown, Iowa, and Mary Swenson, Lake Mills, Iowa; and many nieces, nephews, and cousins. Last but not least, she is survived by seven granddogs, five grandcats, one grandturtle, and one grandrat.

She was preceded in death by her parents; husband, Donald; three children in infancy; brother John L. Ash; and sister, Marjorie Houtman.

Memorial service will be held at PT Grillers Event Center, 24785 U Avenue (County Highway T55) in Reinbeck, Iowa, on July 6, 2017, at

10:30 a.m. The Event Center is located approximately a mile north of the Oak Leaf Golf Course on County Highway T55.

In lieu of flowers, memorials may be made to Cedar Valley Hospice Home, 2001 Kimball Avenue, Waterloo, IA 50702.

He devoted many years to being a Green County Fair Rabbit Superintendent, hosting many 4-H meetings in his home, and helping the youth. He will truly be remembered for his extravagant annual Christmas Lights Display.

In May 2014, Walter was grateful to go on the Badger Honor Flight with his granddaughter.

## CHRISTIAN KARL THOMMEN, JR.

Christian Karl Thommen, Jr., passed away unexpectedly on the day of his birth, Thursday, June 8, 2017. He was born in Monroe, Wis., on June 8, 1957, the third child to Christian and Lucille (Kaderly) Thommen. He married the love of his life, Laurie Blum, on Aug. 5, 1978 in Juda, Wis.

Chris graduated from Juda High School in 1975 and spent his life proud to be a dairy farmer, devoted

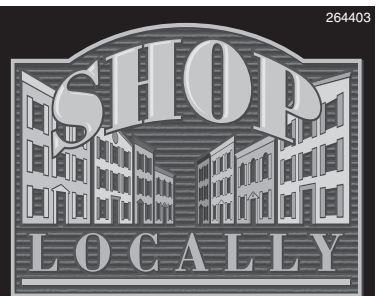

to the land and farm he loved. He was passionate about collecting and restoring muscle cars, giving new life to several automobiles. Most notably, he was saving up to restore his 1969 Plymouth Road Runner. For the past 20 years, Chris could be found driving his old truck around, a vehicle he just couldn't bring himself to part with. He often would drive with his dogs.

Talking about life and solving the world's problems with his sons during milking was a pastime Chris held dear. The time he spent with his family in the barn and while working the land was important and precious to him. Chris loved to talk about the old days with his family, always emphasizing the importance of the past. He enjoyed family gatherings with his sisters and their families. Fall was his favorite time of the year, especially deer hunting with his boys and Thanksgiving dinner. Chris was always willing to give a helping hand to his neighbors and friends. Those close to him will remember him for his humor and his kind and caring heart.

He is survived by his wife, Laurie (Blum); his two children, Christian (Dawn) and Eric (Darci); three sisters, Pam (Carl) Clair, Sherry St. John, and Yvonne (Alan) DeVoe; three grandchildren, Christian, Nathan, Haley; and a granddaughter on the way. He also is survived by several nieces and nephews whom he thought a lot of. He was preceded in death by his parents and nephew, Parker St. John.

Memorial Services will be held at 11 a.m., Thursday, June 15, 2017, at the D.L. Newcomer Funeral Home in Brodhead, Wis., with his brother-in-law, Carl Clair, officiating. Burial will be in Union Cemetery, Oakley, Wis. Visitation will be held on Wednesday from 4 p.m. until 7 p.m. at the funeral home.

A memorial fund will be established. Online condolences may be made at [www.dlnewcomerfuneralhome.com](http://www.dlnewcomerfuneralhome.com).

# American Cancer Society to paint Green County purple for Relay for Life

The American Cancer Society is seeking businesses and organizations to get involved in the Relay for Life movement by displaying purple ribbons and other decorations from June 17 through 24, 2017. "Paint Our Town Purple" is a time to celebrate the lives of cancer survivors and to have some fun with the color purple to bring attention to the American Cancer Society's many programs and services in our community. Purple is the signature color of the American Cancer Society's Relay for Life program, which represents all cancers.

People can also help "Paint the Town Purple" by doing other activities, including putting up purple-themed displays in storefronts, swapping out white light bulbs for purple ones, or selecting a day for everyone to wear purple at work or school.

The Relay for Life program is a community event where teams and individuals set up campsites and take turns walking or running around a track or path. Cancer survivors and caregivers take a celebratory first lap to start each event. The money raised supports groundbreaking cancer research, education and prevention programs, and critical services for people facing cancer.

The Relay for Life of Green County event will take place June 24 at the Brodhead High School track. All community members are invited to attend.

For more information about how to participate in painting your town purple and the larger Relay for Life of Green County movement, visit [www.facebook.com/RFLofGreenCountyWI](http://www.facebook.com/RFLofGreenCountyWI) or [www.relayforlife.org/greencountywi](http://www.relayforlife.org/greencountywi). # Drinking water testing available

An exciting opportunity to learn about the water you drink is being offered to all residents with private wells in the Towns of Albany, Brooklyn, Mt. Pleasant, and New Glarus. Others in the county may also take advantage of the opportunity to test their drinking water.

If you are interested in learning more about drinking water and the quality of your water, this program is an opportunity to have your well water tested at a reduced cost and learn of the results during an educational program with drinking water experts. Groundwater specialists strongly encourage rural residents to test their water at least once every two years.

This program is neither mandatory nor regulatory. It is completely voluntary. Those who participate will receive the results of their water tests during an educational program the evening of August 1. Results will be kept confidential.

Special bottles are required for these tests, and there is a cost for this testing. You may choose one or more of the testing packages described below.

- Homeowner Package (includes tests for nitrate, coliform bacteria, pH, alkalinity, and hardness). The cost is \$49.
- Metals Package (tests for arsenic, lead, copper, iron, zinc, calcium, magnesium, manganese, sodium, potassium, and sulfate). The cost is \$49.
- Triazine Screen (includes tests for triazine type pesticides like atrazine). The cost is \$27.

If you choose all three packages, the cost is \$117, a discount of \$8.
