## Healthy Community Coalition schedules free film screening and lunch

By Kattie Thurow  
GREEN COUNTY EXTENSION

Free lunch and a film screening are set for you next Thursday, Oct. 6 from 12:30 to 2 p.m. in Monroe Public Library's second floor.

Green County Healthy Community Coalition is excited to share this opportunity to learn about Adverse Childhood Experiences (or ACEs).

After the film screening, we will have a discussion about how we as a community are planning to come together to enhance children's access to Positive Childhood Experiences

RESILIENCE is a one-hour documentary that delves into the science of Adverse Childhood Experiences (ACEs) and the birth of a new movement to treat and prevent toxic stress.

Experts now believe that toxic stress is one of the leading causes of everything

from heart disease and cancer to substance abuse and depression.

These extremely stressful experiences in childhood can alter brain development and have lifelong effects on health and behavior.

RESILIENCE chronicles this new approach among pediatricians, therapists, educators and communities who are using cutting-edge science to disrupt cycles of violence, addiction and disease.

Positive Childhood Experiences (PCEs) are the strengths and connections that children and young people have that have positive developmental and healing effects.

Typically, these are not things that can be bought or that necessarily cost a lot of money. They are the experiences that help children learn to trust others even when life is uncertain, difficult or

frightening.

They happen when adults are willing to talk honestly about things that are hard to understand, scary, embarrassing or painful.

When adults are willing to have these types of conversations with children, the result is that children feel reassured that they are not alone in their struggles and they are better able to find meaning or purpose in their struggles.

Positive Childhood Experiences also include opportunities to engage in meaningful learning and growth experiences.

Contact Bridget Mouchon at the Green County Extension office 608 328-9440 for more information or to register.

Or check out the Green County Healthy Community Coalition Facebook page for the sign-up link: [www.facebook.com/GCHealthyCommunityCoalition](http://www.facebook.com/GCHealthyCommunityCoalition).

ROCK COUNTY PARKS PHOTO Brodhead Independent Register  
Magnolia Bluff Rock County Park is about 5 miles north of Brodhead, 18 miles west of Janesville. The 120-acre park is 1/2 mile south of the State Hwy 59 and Croak Road intersection, on Croak Road, near the Green-Rock county line and State Highway 104. It features beautiful rock outcroppings, vistas, and two trails - a bridle and nature trail and a cross-country ski and hiking trail.

## Virtual family caregiver workshop starts Friday

Participants receive free copy of 'The Caregiver Help' book

Providing care for a friend or family member can be a rewarding experience, but it often provides challenges.

More than 65 million family caregivers in America provide emotional, financial, nursing, homemaking and other services on a daily or intermittent basis.

Many struggle to meet needs of both their loved one and themselves.

Caregiving was always been rewarding yet difficult, even before COVID-19.

Powerful Tools for Caregivers is an educational workshop series to provide tools caregivers need to better care for themselves, which reflects the increase in quality of care to the care recipient.

hour sessions held once a week. Two experienced and trained leaders conduct each class.

Interactive lessons, discussions, and brainstorming help you take the "tools" you choose to focus on that are applicable to your situation, and put them into action for your life.

Participants will receive a free copy of, 'The Caregiver Helpbook' - a resource guide used in Powerful Tools for Caregivers.

To be able to participate, you must have access to a smartphone, tablet, laptop, or computer with internet access or strong mobile data connection.

The leaders of this Powerful Tools for Caregivers se-

ries will be offering a Zoom Practice Session on Friday, Sept. 30 from 1 p.m. to 2 p.m.

If this practice time and date does not work for you, we will work with you individually, if extra help is needed, in running the Zoom program and preparing you to feel comfortable enough to participate in the workshop.

Sessions are scheduled every Friday for six consecutive weeks, beginning Oct. 7 and running through Nov. 11. Classes will be held virtually, via Zoom, from 1 p.m. to 2:30 p.m. This program is free of charge.

For more information or to register, contact ADRC Green County by phone at 608-328-9499 or email [resourcecenter@gchsd.org](mailto:resourcecenter@gchsd.org).

## Fall Fun Challenge under way in Rock County Parks

Rock County Parks is having a Fall Fun Challenge contest, which started Sept. 22 and runs until Oct. 31.

Anyone who wants to take part is challenged to make the most of the fall season by completing a challenge at a Rock County Park or Trail.

Rock County sponsors say the challenge is easy.

Just visit a Rock County Park or Trail sometime between the challenge dates, complete an item on the Rock

County Parks Fall Fun Challenge List and submit a picture or selfie of you completing the challenge.

Items on the challenge list are all, well, fun. Read a book in a county park. Hike a trail. Go fishing. Take a selfie. Walk your dog. The list is as long and varied as the possibilities for fun outdoors this fall.

Enter as many times as you complete a challenge.

Submit your pictures to [parks@co.rock.wi.us](mailto:parks@co.rock.wi.us) or Rock

County Parks Facebook Messenger for a chance to win a prize.

Submitted photos will be shared on the Rock County Parks Facebook and/or Instagram page.

Three random prize winners will be chosen from all entries.

County sponsors say fall season is a beautiful time of year in Wisconsin and this is a great way for family and friends to enjoy Rock County Parks.

“Anything that would ever arise, they were right there to help you out and get you going again.”

# Join the 2022 FOOTBALL FRENZY CONTEST

• Register Weekly •  
**Follow Your  
Hometown  
Teams!**

1st Prize \$20  
2nd Prize \$10

## FIFTH WEEK FOOTBALL FRENZY WINNERS

The first place winner of \$20 was Tom Brewer of Albany with 7 correct answers and 64 as the most points scored. The second place winner of \$10 was Paul Clark of Brodhead with 7 correct answers and 56 as the most points scored. The most points scored by one team was a tie: Cuba City vs. Parkview-Albany with a score of 62-8 and East Troy vs. Whitewater with a score of 62-21.

**THANK YOU TO EVERYONE WHO PARTICIPATED IN THE FOOTBALL FRENZY CONTEST THIS WEEK AND A SPECIAL THANKS TO ALL OUR SPONSORS WHO MAKE THIS CONTEST POSSIBLE.**

## CONTEST RULES

1. Pick the teams listed in each advertisement on this page. Indicate the winner by writing in the name of the team opposite the advertiser's name in the entry blank. No scores. Just pick winners.
2. Pick a number which you think will be the highest number of points scored by any one team on this page and place this number in the space provided near the bottom of entry blank. This will be used to break ties and if a tie remains, one winner will be chosen via random drawing from all correct entries.
3. One entry only from each contestant. Entries must be brought to The Independent-Register office by 4:30 p.m. Friday or postmarked no later than Friday of each week and mailed to The Independent-Register, 917 W. Exchange St., Brodhead, WI, 53520.
4. Must be ten years of age or older to qualify.

# Rock County organists featured in recital to benefit scholarship fund

By Deborah Krause Smith  
ACM MADISON

Rock County organists and members of the Madison-based Association of Church Musicians (ACM) and the Madison Chapter of the American Guild of Organists (AGO) will present a public organ recital on Sunday, Oct. 2, at 3 p.m. at First Congregational Church, 801 Bushnell St., Beloit.

The annual event raises funds for the Ruth Pilger Andrews Organ Scholarship Fund, and each year is held at a different ACM-member church.

This is the first year it is being held in Beloit. First Congregational houses a 4-manual, 69-rank organ built in 2001 by Rieger-Kloss of the Czech Republic.

Ruth Pilger Andrews was a distinguished Madison organist, well-known teacher, and founding member of the Madison Chapter AGO.

With a generous bequest from her estate, the Ruth Pilger Andrews Organ Scholarship Fund was established in 1996 by the ACM/Madison Chapter AGO.

Since that time, additional donations to the fund have been accepted and annual concerts have been held to augment the endowment.

Scholarship applications are accepted on a quarterly basis from Wisconsinites of all ages who wish to study organ through private lessons, by attending seminars and workshops, or college tuition

for organ study. The hour-long program will feature a variety of pieces played by 8 organists, several of whom are from Rock County, including Dr. Max H. Yount, organist and music director at First Congregational in Beloit; David Devine, a high school student from Janesville who studies organ with Dr. Yount; Elaine Uffenbeck, organist at Christ Lutheran Church in Clinton; and Dr. Beth Yount, organist at St. Paul's Episcopal Church in Beloit.

They will be joined by Dr. Andrew Schaeffer, organist/music director at Luther Memorial Church, Madison; Jared Stellmacher, organist/music director at Good Shepherd Lutheran Church, Madison; Paul Finger of Madison; and a past recipient of a Ruth Pilger Andrews Scholarship, Michael Mills, a Lodi native who is now Director of Sacred Music at Immaculate Heart of Mary Catholic Church in Monona.

Established in 1986, the Association of Church Musicians is a 501(c)(3) non-profit organization that promotes and supports musicians in churches throughout south-central Wisconsin, with churches as well as individuals being members. It also serves a dual role as the Madison Chapter of American Guild of Organists, which was chartered in 1953.

A free-will donation will be accepted at the recital for

**Pictured here as a young student organist, Ruth Pilger Andrews (1905 - 1996) is the namesake of an organ study scholarship fund for which a benefit organ recital will be presented on this Sunday, Oct. 2 at First Congregational Church in Beloit.**

the Ruth Pilger Andrews Organ Scholarship Fund.

The church is handicapped-accessible, with ample room in the sanctuary for distancing as needed.

Anyone unable to attend but wanting to donate to the fund, may send checks pay-

able to the Association of Church Musicians, to P.O. Box 5321, Madison, WI 53705.

More information is available at [www.MadisonACM.org](http://www.MadisonACM.org) or on its Facebook page at [www.facebook.com/MadisonACM](http://www.facebook.com/MadisonACM).

## Obituary

### BEVERLY DEININGER

Beverly Deininger, wife, mother, grandmother; and lover of life, laughter and flowers, passed away Sept. 19, 2022.

She was born in Decatur Township, Brodhead, April 27, 1939, to Clifford and Hattie Hintzman.

She was raised on the farm with two older brothers. She attended Badger School and Brodhead High School, graduating in 1957.

She worked at the Green County Bank until she married. She met Virgil Deininger at the popcorn stand in town, and they married on Oct. 17, 1959.

Together, they raised their daughters Cheryl, Michelle and Shannon on their farm in Spring Grove Township.

They retired from farming in 2019 when they built a new home in town.

She was a woman of craft and was truly artistic and creative in all that she made, making everything with deep detail and precision.

She was a quilter, sewer, crafter, among her many other artistic endeavors. She had many beloved hobbies, which she enjoyed teaching and passing along to her children and grandchildren.

She made each of her grandchildren a quilt for graduation to send them off to college wrapped in her love.

She was also the Spring Grove 4-H sewing and home furnishing leader.

She had a natural talent and passion for flowers, and her green thumb was displayed in brilliant flower gardens that she tended until her death.

She was part of the Bluebird Association and was 70th in the state of Wisconsin for fledgling bluebirds. She had several bird houses around the farm and loved tending them and show-

ing the baby bluebirds to her friends and family.

She was an avid reader. Her interest in history, including local schoolhouses and cheese factories was shared through writing and teaching.

After raising their children, she worked at The Gift Castle, Ahrens Acres and Ten Eyck Orchard.

She was a member of the CBS Homemakers club and the Brodhead United Methodist Church.

Whenever anyone encountered her, she was a friendly face and big personality. Her fiery spirit and big laughs were passed on to everyone who had the luck of meeting her.

She was a force for gathering her family and was always the center of every game and conversation. She loved creating a beautiful and loving home for her family.

These memories are held dear by her children and their husbands, Cheryl Deininger (Donald Maas), Michelle (Tim) Osterhaus, and Shannon (Dave) Kunzman; grandchildren, Mitch and Maggie Osterhaus, and Ella, Sophie and Josh Kunzman; and a brother, Laverne Hintzman.

She surrounded her entire family with deep love and pride.

She was preceded in death by her parents, brother Robert Hintzman, and sister-in-law Arleen Hintzman.

Her bravery and grit throughout her life's hardships and health struggles will always come to mind for all who knew her.

She faced each adversity

with a positive attitude, including the loss of her leg in 2019. She was the face of resilience and always reminded her family that "she had more living to do!" Her prosthetic leg will be donated to Limbs for Life.

The family wishes to express deep gratitude to the many healthcare workers who touched and cared for Beverly over the years.

They especially want to thank the staff at SSM Monroe Hospital Intensive Care Unit for their compassionate care extended to her and her family.

A memorial service was held at the DL Newcomer Funeral Home in Brodhead on

Friday, Sept. 23. Upon completion of the services, family and friends were invited to gather at the Kelch Aviation Museum in Brodhead for food, refreshments and a time to visit with the family.

Burial of Beverly's cremated remains will take place at a later date at Greenwood Cemetery in Brodhead.

In lieu of flowers, donations will be forwarded to Limbs for Life Foundation and The United Methodist Church.

Her strength and friendly smile lives on in every person she met. We will continue to look for the good in life in her honor.

# Village of Albany sets Fall Acceptance Day at recycling center

Albany has scheduled its "fall acceptance day" for Saturday, Oct. 15, from 8 a.m. to 3 p.m. at the village recycling center.

Garbage brought to the center will be charged standard rates. If the garbage fits in a designated bag, it must be in the bag or the person discarding it must pay an equivalent fee.

Tires and freon will be charged a standard rate, and other "non-free items" will be charged 50% of standard rates.

No electronic equipment will be accepted.

Contact the village at 608-862-3240 with questions, or email the village clerk at [villageclerk@albanywi.org](mailto:villageclerk@albanywi.org).

## RECYCLABLE ITEMS

### ALUMINUM

Beverage cans made of aluminum. NO pie pans or foil. Screen frames and lawn chairs in metal dumpster. Rinse clean.

### GLASS

Clear, green or brown, windows, canning jars, Pyrex, and ceramic. NO mirrors or light bulbs. Rinse Clean, remove lids and all metal parts. Labels may be left on.

### TIN FOOD CAN

Only tin food cans, rinse clean. Gas cans, paint cans, fuel oil cans, or license plates go in the metal dumpster with a fee. NO batteries, foil, or aerosol cans - these go in designated bag.

### PLASTIC

All plastics are being accepted. Includes #1-7. Such as: milk jugs, pop bottles, laundry detergent bottles, cottage cheese/margarine containers, and ice cream

See RECYCLE, Page 5

# Orfordville Economic Development Committee tours new villages in village

By Sherri Waege  
VILLAGE CLERK  
Orfordville Economic Development Chairwoman Beth Schmidt called the committee's regular meeting to order at 6 p.m. on Tuesday, Sept. 20.

Present were Schmidt, Cami Myers-Alstat, Dennis Burtness, Heidi Melton, Craig O'Leary, Rose Peterson, and Stacy Todd. Also present was Village Clerk Sherri Waege.

with new business owners Colleen White and Cristina Richards at 202 W. Beloit St.

A tour of the building was given. White and Richards told the committee that they rent out spaces for repurposed items, handmade items, and new items.

White and Richards will let the village know when they would like to have their ribbon cutting.

The Committee left at 7:40 p.m. and went to the Sassy Farm Chicks at 203 W. Beloit St.

## Orfordville business tours

Committee members started the meeting at the Rose Connection.

Business owner Jeff Porter and his daughter gave them a tour of their facility.

Porter said their business is a wholesale distributor, and they do not have retail operation on-site.

Discussion was held on working with the school district for their events in which flowers are used.

A ribbon cutting ceremony was discussed, and plans tentatively made to hold that ceremony in October. The Committee left the Rose Connection at 7 p.m.

The Committee then met

The committee then toured Sassy Farm Chicks, where Rhonda Streich and Tina Wellnitz gave them an overview of their quilting business, including a demonstration of their quilt machine.

Streich also discussed the Airing of the Quilts event that was held in the village earlier in September.

Discussion was held on building improvements, as the Village owns the building.

Committee members ended their meeting with a motion by O'Leary, seconded by Todd to adjourn at 8:15 p.m. Motion carried.

- Tractor Rear: \$50

### GARBAGE BAGS

There are two sizes of garbage bags available for purchase to put all non-recyclable items and rubbish in before disposing of in a dumpster at the recycling center. They are 20 gallon size for \$2 each and 30 gallon size for \$3 each. They are available for purchase at the recycling center during open hours. The Village has a designated yellow bag. The Village bags can also be purchased at the Albany Village Hall.

### ELECTRONICS

Albany Recycle Center can no longer accept electronic equipment.

We will try to hold a special Electronics Recycling Day; however, if we do not schedule an Electronics Recycling Day, you can take your electronics to the Green County Landfill during their open hours. There is a charge which is currently set at the rate of \$.30 per pound.

### BRODHEAD SCHOOL DISTRICT SNOW REMOVAL BIDS

Brodhead School District is accepting bids for snow removal for the 2022-23 school year. Snow removal is required for the parking lots, driveways, and sidewalks of the high, middle and elementary schools on days when there is more than one (1) inch of snow. School lots, driveways and sidewalks need to be cleared by 7:15 a.m.

Bids will be submitted based on a fixed rate per snow removal. All bidders must show a Certificate of Insurance.

All bids must be submitted in a sealed envelope marked on the outside "Snow Removal Bid" and mailed or delivered to Facility Supervisor Chad Dix, Brodhead School District, 2501 W. Fifth Avenue, Brodhead, WI 53520 by 12 p.m. Friday, October 7.

Awarding of the bids will be made as soon as possible after the opening of the bids. The Board of Education reserves the right to accept or reject any bid.

# Annual vintage rail car museum tours

## Set for Oct. 1-2 in North Freedom

Restored interior of the Copper Range Railroad #25 coach-baggage car at the rail car museum in North Freedom, about 80 miles north of Brodhead and Madison via Highway 12, near Wisconsin Dells.

SUBMITTED PHOTO Brodhead Independent Register

Get ready for inside access to Mid-Continent Railway Museum's restorations.

The Vintage Rail Car Tours guided walking tour takes you beyond normally locked doors and inside the historic railcars.

Knowledgeable guides share history of the cars and how they have been restored to bring them back to like-new condition.

This Mid-Continent Railway Museum's railcar collection event is offered only one weekend each year.

The tour is self-paced. Visitors can move to the next tour checkpoint at any time. The suggested time to allow for the tour is one hour.

The Vintage Rail Car Tour guided walking tour is available as a stand-alone tour and is offered between 10 a.m. and 4 p.m. on Oct. 1 and 2. It is recommended to begin the tour no later than 3 p.m.

No visit to Mid-Continent is truly complete without a

train ride. Hop aboard for a 55-minute train ride with departures available at 11 a.m., 1 p.m., and 3 p.m. for an additional fee.

Reservations for Vintage Rail Car Tours and Coach Train rides are encouraged, but are not a requirement.

Buy tickets or pick up your reserved tickets at the depot ticket window at E8948 Museum Road, North Freedom, WI.

Vintage Rail Car Tours guided walking tour prices are \$12 for adults and seniors, and \$8 for children ages three to 15.

The Coach Train Ride 55-minute train ride prices are \$22 for adults, \$20 for seniors age 62 and up, and \$12 for children ages three to 15.

This year's Vintage Rail Car Tour features:

- WISCONSIN FISH COMMISSION BADGER #2: Built in 1913 for the purpose of transporting fish from hatcheries to Wisconsin's lakes and streams, the Badger #2 is the only surviving original fish car in the nation. In 2008 the car underwent a \$950,000 restoration that was featured on the TV series Ultimate Restorations.

- MONTANA WESTERN #31: Built in 1925, this gas-electric motor car is the oldest surviving, and largely unmodified railcar built by the Electro-Motive Corpo-

ration and was named a National Historic Mechanical Engineering Landmark of the American Society of Mechanical Engineers (ASME) in 2002. The powered railcar could haul passengers, baggage, and a limited amount of freight on branch lines and short lines, when a steam passenger train was not warranted.

- COPPER RANGE RAILROAD #25: Originally built in 1903, the wooden car was later rebuilt in 1913 as a combination baggage/coach car. After a five-year restoration completed in 2013 by Mid-Continent, the car was masterfully restored back to its 1913 appearance both on the interior and exterior.

- COPPER RANGE RAILROAD #60: Built in 1903 as a second-class coach, the car was restored to the appearance that it had during the passenger service period of 1944 to 1946 with plush seats, painted oak veneer ceiling panels and kerosene lamps mounted on the ceiling.

- MID-CONTINENT'S CAR SHOP: Mid-Continent's Car Shop facility is where the transformation of railcars from derelict to rolling artwork takes place. There you'll see several cars currently mid-restoration, including the DSS&A DULUTH sleeping car and East Jordan & Southern #2 coach-baggage car.

# Green County sets hazardous materials collection in October

Green County will be offering a two-day Clean Sweep Hazardous Materials Collection Program for county farmers and residents on Friday, Oct. 28 from 7 a.m. to 2:30 p.m. and Saturday, Oct. 29 from 7 to 11:30 a.m.

The Clean Sweep collection site is located at the Green County Landfill, West 2002 County Highway SS about 5 miles west of Brodhead.

The Clean Sweep program is an opportunity to dispose of banned products or supplies damaged by moisture or contamination.

This will be the 15th year that Green County has offered a Clean Sweep Collection Program. More than 135,000 pounds of hazardous material has been collected through the previous collections in Green County.

All Green County residents will be able to dispose of materials at the landfill for 2 days only. Pre-registration is recommended.

Sign up for a time slot at [go.wisc.edu/6105zr](http://go.wisc.edu/6105zr). Residents may also call the Extension Green County office at 608-328-9440 for help in signing up.

Residents will be able to dispose of up to 100 pounds of hazardous materials free of charge.

Farmers and homeowners who want to dispose of more than these amounts need to call the Extension Green County office at 608-328-9440.

All items should be properly identified and materials will only be accepted by authorized personnel.

Examples of hazardous items that will be accepted include: oven cleaners, spot removers and drain cleaners; Herbicides like Atrazine, Round-up, Banvel, 2,4-D, Silvex, brush killers and many others; Insecticides including Diazinon, DDT, Chlordane, Thimet, Furadan, Sevin and others; Fungicides including Captan, lead, marine and auto paint, solvents, animal health products, mercury, degreasers, roofing tar, wood finishes, oil based paint and stains, hydraulic fluid, pool chemicals, old gasoline, paint strippers, and cadmium and lithium batteries.

Items that WILL NOT be accepted include tires, latex paint, firearms and ammunition, Freon 11 and 12 radioactive material, compressed gas cylinders, yard waste, waste motor oil, fluorescent tubes, recyclable materials or biological wastes.

Only Green County residents can participate in this program.

For more information on the 2022 collection program go the Extension Green County website at: [green.extension.wisc.edu](http://green.extension.wisc.edu) or call the Extension Green County Office at 608-328-9440.
