Many local events planned for June Pride Month

In recognition of Pride month this June, several local organizations have planned a variety of events in Rock County to celebrate. From an LGBTQ+ comedy show to a day with games and food in the park for the entire family, the events run throughout the month of June.

"Pride month is a way to celebrate the unique and amazing people in the LGBTQ+ community. "By embracing diversity and fostering a sense of belonging, Pride events not only empower individuals but also inspire social change. We firmly believe that everyone deserves to live their truth authentically, and the Pride events aim to create a more inclusive and accepting society for all."

One of the 19th-century prints featured in the Rock County Historical Society's second Focus on Art series in the Lincoln Tallman Museum on June 3 from 2:30 to 4 p.m.

Focus on Art series at RCHS highlights 19th century prints

The Rock County Historical Society's (RCHS) second Focus on Art series will feature the 19th-century prints in the Lincoln Tallman Museum.

Set for Saturday, June 3 from 2:30 to 4 p.m., the program will begin with a presentation in the Tallman Carriage

House, followed by a viewing of the actual art pieces in the Lincoln-Tallman Museum.

A few examples of the interesting prints that will be explored include: a rare depiction of George Washington with his family; a photo that Abraham Lincoln claimed was instrumental in his winning the 1861 presidential election; and a mid-1800s, detailed illustration of the Rock River at Janesville.

The Focus on Art series was developed after RCHS researchers uncovered fascinating stories about local artists who created pieces

that are displayed in the Lincoln-Tallman Museum. The third and final Focus on Art program will be held at 2:30 p.m. on July 1. The program will highlight "Statuary and Decorative Art."

The price for each program is \$20. Space is limited. Anyone who would like to attend is encouraged to reserve in advance by calling RCHS at 608-756-4509. Payments may be made at the door by cash, credit card, or check on tour days. Each program begins at the Tallman Carriage House, 450 N. Jackson Street, Janesville.

Blood drive in Orfordville

There will be a blood drive at Orfordville Village Hall, 303 E. Beloit Street, on Wednesday, May 31 from 12:30 to 6 p.m.

It was a packed house of more than 1,000 people Saturday, May 20, at the Dream Center Auditorium in Beloit as more than 225 students graduated from Blackhawk Technical College.

"You've made some pretty good decisions to get yourself here today," Dr. Tracy Pierner, President of Blackhawk, said. "As you move forward, continue to develop and your career will blossom ... As an alumnus, I wish you much luck as you move forward."

The 2023 May Commencement ceremony featured four speakers, including Hope Hopper, who served as president of the Student Government Association for two years and was voted Student of the Year at this year's Student Awards Ceremony.

"We all have our stories, and we all have our unique challenges that we have overcome,"

Hopper said. "We are all here to today because we pushed through. After all of our hard work and dedication, we did it."

The event also included five Rock University High School students who earned their associate's degree through Blackhawk's dual enrollment program. Treyvon Crain, Andrew Hegle, Devyn Klingaman, James Mathesius and Natalie Spicer will graduate from RUHS on June 3.

Two other high school students earned a welding technical diploma. Alexander Doane is a senior at Janesville Craig High School, and Vanessa Hartwig is a senior at Monroe High School.

"Through Blackhawk's dual enrollment program, these students are graduating from high school already equipped with either a technical diploma or an associate degree," said Dr. Karen Schmitt, Vice President of Academic Affairs. "This is truly

a momentous occasion."

About the speakers

Michelle Weirich, Faculty of the Year: Michelle Weirich, Early Childhood Education instructor, was voted Faculty of the Year by students as part of the annual Student Awards Ceremony. This award honors an instructor who contributes in significant ways to their respective program, division/department, or the larger Blackhawk community.

Students chose Michelle for her inspiration and commitment to Blackhawk as well as her ability to make learning fun and engaging.

Since she was a child, Michelle wanted to be a teacher. She worked for more than a decade in a childcare center before joining Blackhawk Technical College. She recently celebrated her 20th anniversary at the college.

She also has been a member of Business Professionals of America and the Blackhawk Improvement Group. She is also has been a student representative for the Early Childhood Education Advisory Committee.

Throughout her time at Blackhawk, her instructors have become mentors and her classmates have become friends. In part, she credits her success to her dad who always says "Hard work pays off!"

Stephanie has received honors from the National Society of Leadership and Success, Phi Theta Kappa and The Society for Collegiate Leadership and Achievement.

Stephanie was chosen to be a student speaker because of her dedication and perseverance. After graduation, she will begin her teaching journey as a daycare teacher for children ages 1 and 2.

Obituary

DWIGHT ZETTLE

Dwight Zettle, age 85 of Brodhead, passed away peacefully at his home on Friday, May 26, 2023.

Dwight was born on Sept. 30, 1937 to Clinton Sr. and Pearl (Zettle) Zettle in Sylvester township, Green County. He attended school in several country schools, lastly being Juda. He quit school his sophomore year to help on the family farm. Dwight married Rosella Rufer, the love of his life, on June 12, 1959. They farmed for many years while raising their family. He worked for Dunwidde Trucking while farming until they sold their cows and farm equipment in 1977. He then went to work for Rufer and Son Excavating for 32 years before retiring. Dwight was a member of the UCC Church in Brodhead.

Dwight is survived by his wife of 63 years, Rosella; three children, Lynn (Tim) Arnsmeier of Beloit, Douglas (Laura) Zettle of Brodhead and Michelle (Bradley) Bruegger of Dodgeville; a sister, Kar-

en (Frank) Schultz of Janesville, and a brother, Clinton Zettle Jr. of Brooklyn. Dwight has six grandchildren, Aaron (Sarah) Arnsmeier, Alyssa (Jeremy) Davis, Steven (Adrienne) Zettle, Cale Zettle (Carly Benway), Max Bruegger and Gretchen Bruegger, and five great-grandchildren, Madelynn Arnsmeier, Drake Davis, Brantley Davis, Ivan Arnsmeier and Wyatt Zettle.

Dwight dearly loved his grandchildren and great-grandchildren and was so proud of all their accomplishments, from ballets, school musicals, sports events, as he and Rosella would attend as many as they could over the years or just sitting with the kids and listening to their stories. Dwight was a big man with a strong voice but his heart overflowed with love for his children, grandchildren and great-grandchildren.

18 new recruits graduate from Blackhawk's Law Enforcement Recruit Academy

Blackhawk Technical College held a special ceremony May 19 to recognize the efforts of 18 students who completed training through the college's Law Enforcement Recruit Academy.

This was the 90th class to graduate from the academy, which provides the basic law enforcement training required to become a law enforcement officer in Wisconsin.

"Be prepared and willing to learn more. And this isn't just at the beginning of your career - but your entire career," Troy Egger, Academy Director, said to the graduates.

Riley Bendorf, class speaker, said the academy has created lasting friendships.

"I knew it would be and will be a lot of work to enter this field, and thankfully, I've had the support of my classmates along the way," said Bendorf, who is a 2016 Parker High School graduate and earned his Bachelor of Science in Criminal Justice from the University of Wisconsin-Platteville.

Lt. Richard LeFeber, retired from the Beloit Police Department, received the Instructor of Excellence Award from the graduates, and Chief Deputy Craig Strouse of the Rock County Sheriff's Office was the keynote speaker.

Three students also were recognized for four different awards of excellence:

- Academic Achievement Award: Dominic Ehrke, Wautoma Police Department
- This award is given to the student with the highest achievement for each of the three end-of-phase tests. The class had a 90 percent average. Ehrke had about 96 percent.
- Outstanding Physical Fitness Award: Riley Bendorf, Rock County Sheriff's Office

• Ryan Copeland Marksmanship Award Recipient: Kenneth Gigstead IV, City of Beloit Police Department

This award is named after Officer Ryan Copeland, a 2013 academy graduate who was killed in an on-duty traffic crash in 2015 and is given to a student who is ranked top in his class for marksmanship.

• Terry Fell Leadership Award: Riley Bendorf, Rock County Sheriff's Office

This award is named after Terry Fell, who was the acad-

emy director for 10 years and former City of Beloit Police Chief, Rock County Sheriff's Office Chief Deputy and Rock County Board member. Fell's legacy is of leadership, honor and sense of duty. The award is given to a student who embodies those characteristics.
