# 32 high school students complete 2023 Summer Rock County Internship Program

The six-week Summer Rock County Internship Program culminated with a graduation ceremony on July 28 at the Rock County Human Services building, featuring capstone presentations by 32 high school juniors.

The program, which is a collaborative effort between Blackhawk Technical College, the County of Rock, Rock County 5.0, and the Southwest Wisconsin Workforce Development Board, is a paid earn-and-learn opportunity that offers students a structured and meaningful career pathway experience.

The participating students came from six different school districts, including Clinton, Janesville, Beloit, Beloit Turner, Milton and Edgerton, and they worked within a variety of industries at locations throughout Rock County, including Batterman, Beloit Health System, Blackhawk Technical College, CCI, Cullen, Edgerton Hospital,

Forward Janesville, Frito Lay, HealthNet, KANDU, Mercyhealth, Morse Electric, Rock County Public Health, Scot Forge, Siepert, STE, and YWCA.

"It's okay if you got into this and thought: 'Hey, I really don't like this, or this is something I don't want to do for the rest of my life.' This is the perfect time to figure that out – a lot of career cruising needs to happen earlier, and this is the perfect example of that. Every job we've ever had has taught us lifelong skills," James Otterstein, Rock County Economic Development Manager, told the internship program participants.

Students participating in the Rock Internship Program were required to present a summary of their experiences before family, friends, employers and guests at the graduation.

The Summer 2023 cohort is the fourth time this program has been offered in

Rock County.

## Rock County sheriff warns of fake website for bonds, commissary

On Aug. 4, at approximately 2:30 p.m., a Correctional Supervisor at the Rock County Jail received a call from a citizen that had attempted to put money on the account of an inmate currently being housed at the facility.

The citizen conducted a Google search for "Rock County Bonds" and he found a link for a site called "jail-exchange.com" which looks affiliated to the Rock County Sheriff's Office due to photos of the Rock County Jail, an inmate search option, and payments for bonds and commissary. The site also offered Bail Bonds, which is not a service available in the State of Wisconsin.

The site has no affiliation with the Rock County Sheriff's Office. As a reminder, bonds can be paid in person with a picture identification, cash, or credit card in the lobby of the Sheriff's Office.

In addition, funds can be added to an inmate's commissary or bail account through Access Corrections at accesscorrections.com or by dialing 1-800-546-6283. There are also kiosks available in the lobby of the Sheriff's Office.

## Scam calls received impersonating a Rock County deputy

On Aug. 5, two separate complaints were received by dispatch reference citizens receiving calls from a person identifying themselves as a Rock County Deputy.

This person referred to themselves as "Deputy Sellers" and gave a badge #6329. In addition, the caller ID showed 608-757-8000, which is the main directory line to the Rock County Sheriff's Office.

The person both times told the call recipients that they had warrants for their arrest and could post bond by purchasing Kwik Trip gift cards and giving the confirmation number to the suspect over the phone.

This press release is to notify citizens that there is no Deputy Sellers who works at the Sheriff's Office. Furthermore, the Sheriff's Office would never take bond for a warrant over the phone or accept gift cards as currency to post a bond.

In the event any citizens have received any recent calls similar in nature, or anytime someone receives a call where the origin and validity seem questionable, the Sheriff's Office would like to be notified. Members of the public can call the non-emergency number for the Rock County Communications Center at 608-757-2244.

## Drunk Janesville driver hits two cars, squad car, before finally being stopped

On Aug. 1 at around 4:36 p.m., Rock County Sheriff's Deputies were dispatched to a traffic complaint in the area of East U.S. Highway 14 and East County Highway O in LaPrairie Township within Rock County.

An eastbound Jeep Wrangler was reported to be all over the road before pulling over in the area of 5130 East U.S. Highway 14. A witness was going to check on the driver, but the Jeep then continued driving. It struck two other vehicles and then went westbound on U.S. Highway 14.

Troopers from the Wisconsin State Patrol and Officers from the Janesville Police Department were also responding to the area to try to locate and stop the Jeep.

A Janesville Police Sergeant found it still going westbound by North Harmony Townhall Road and reported it was driving on the wrong side of the road, forcing other vehicles off the road. The sergeant attempted to stop the Jeep, but it continued westbound at a slow speed. The sergeant pulled in front of it and stopped to try to force it to also stop, due to the danger it presented to the public. The Jeep struck the Janesville Police squad car, and the driver, Kelly Platt, 45-years-old from Janesville, was detained.

Rock County Sheriff's Deputies arrived on scene and conducted an OWI investigation. Platt was subsequently arrested for fourth offense OWI and second degree recklessly endangering safety. He was held in jail pending an initial court appearance. No one reported any injuries from any of the three crashes involved with this incident. Wisconsin State Patrol handled the squad involved crash.

## Impaired Milton driver hits tree after failing to stop at stop sign

On Aug. 5 at around 2:54 a.m., Rock County Sheriff's Deputies along with Fire and EMS personnel from Lakeside Fire Department were dispatched to a traffic accident on N Hwy 51 at E J F Townline Rd in Fulton Township, Rock County.

Rock County Dispatch received a call from Ford indicating a vehicle had been involved in an accident and air bags were deployed. The investigation revealed a vehicle was traveling westbound on E J F Townline Rd approaching N Hwy 51. The vehicle failed to stop at the stop sign and continued westbound across N Hwy 51.

The vehicle left the roadway and struck a tree coming to rest in the west ditch of N Hwy 51.

The driver was identified as Benjamin Thomas Jr., a 53-year-old from Milton. Benjamin showed signs of impairment and was subsequently arrested for OWI. Benjamin has three prior OWI convictions in Wisconsin making this a fourth offense, a felony in Wisconsin.

Benjamin will be held in the Rock County Jail pending an initial court appearance.

"Pursuant to the directive of the Wisconsin Supreme Court, as found in Supreme Court Rule 20:3.6, Trial Publicity, you are advised that a charge is merely an accusation and that a defendant is presumed innocent until and unless proven guilty."

## Community Action expands youth health programs

Community Action, Inc. of Rock and Walworth Counties (CAI) announces the expansion of its youth health programming. The Adolescent Health Outreach Program (AHOP) will incorporate existing youth services and add new programs.

AHOP includes the Personal Responsibility Education Program (PREP), which has dramatically increased its outreach over the past three years.

PREP served 131 youth in the 2020-21 school year, 980 youth in 2021-22 and 2,774 youth in 2022-23. PREP is taught in seven Rock County schools, reaching youth

in classroom discussions and other events like health fairs.

New this school year, Community Action is partnering with the Wyman Center in St. Louis to deliver the Teen Outreach Program (TOP) to middle school students and eventually provide year-round programming for students. TOP helps improve students' social-emotional skills, and helps youth develop a positive sense of self, life and leadership skills.

PREP and TOP both provide medically

## Free concerts during Covered Bridge Days

Two music groups are coming to Brodhead to rock the stage during Covered Bridge Days this summer.

Madison County will take the stage from 8 to 11:30 p.m. on the first day of Brodhead's Covered Bridge Days on Friday, Aug. 11.

Bella Cain follows up with their own rocking performance Saturday, Aug. 12, from 8 to 11 p.m.

The city's signature annual event runs through Sunday, Aug. 13, featuring free concert performances thanks to Bank of Brodhead and Madison Partners.

### About Madison County

Madison County, a seven-piece country show band based in Madison, has evolved its high-energy, engaging show over the years, to stay fresh and unique.

They have been voted Local Group of the Year for nine years in a row at the Q106 Madison Country Music Awards and Favorite Local Group at the 96.3 Star Country Awards.

Madison County was named Country Artist of the Year at the Madison Area Music Association Awards and People's Choice Award Winner for six years at the Wisconsin Area Music Industry Awards. It was named Isthmus Readers Favorite Local Country Band, and

Madison Magazine's Madison BEST Local Band and Country Band, 6 years running.

Madison County has also been acknowledged with a Meritorious Achievement Award at the Madison Area Music Association Awards for raising their incredible fan base to such astronomical numbers.

Mike Zibell, four year Q106 Madison Country Music Awards Male Vocalist of the Year and 96.3 Star Country Male Vocalist of the Year, along with his uncle Augie Zibell, also a winner of the Q106 Madison Country Music Awards Male Vocalist of the Year, give the band blood-rich harmonies. With those harmonies, is a very talented and versatile group of instrumentalists which includes Kevin Hendrickson on drums, Johnny Sparkle on bass, Dan Mahieu on keyboards, Angel Salinas on lead guitar, Mike Zibell on guitar and banjo, and Kayla Potter on fiddle and mandolin.

Madison County has been privileged to share the stage with many national artists over the years, including, but not limited to: Little Big Town, Sugarland, Montgomery-Gentry, Blake Shelton, Brantley Gilbert, Trace Adkins, Dierks Bentley, Keith Urban, Brad Paisley, Jake Owen, Thomas Rhett, Toby Keith, Travis Tritt, Gary Alan, Love and Theft, Neal McCoy, Rascal Flatts,

Justin Moore, Chris Cagle, Phil Vassar, Bellamy Brothers, Joe Diffie, Dwight Yoakum, David Allan Coe, and Alan Jackson.

### About Bella Cain

Bella Cain was named "Country Group of the Year" by the Wisconsin Area Music Industry (WAMI).

With amazing musicianship, unmatched high energy on-stage, production that includes one of the premier sound, light, and video shows in the business, musical variety not seen before on the regional country music scene and a sound all their own, Bella Cain is winning the hearts of many all over the Midwest.

Established in 2010, Bella Cain has become one of the largest and most "in-demand" Top 40 Country Groups in the region. Equipped with their own tour bus, trucks, production and staff, they are performing over 120 shows a year and playing in multiple states.

Entering into their thirteenth year, Bella Cain has had the honor and privilege of sharing the stage with such National Headliners as: Brad Paisley, Miranda Lambert, Luke Bryan, Colt Ford, The Nelsons, Phil Vassar, Big and Rich, Jason Aldean, Jerrod Nieman, Justin Moore, Lee Brice, Bucky Covington, Chris Cagle, Parmalee, Dustin Lynch, Dierks Bentley, Billy Currington, Joe Nichols,

Phil Vassar, Glorianna, Jason Derulo, Little Big Town, Maggie Rose, Chris Young, Blake Shelton and The Oak Ridge Boys.

Bella Cain is proud of delivering the best "live" musicianship to the stage each and every night. Original members Jackie Bucher and Judson Brown lead it off with vocals, while Bella Cain's own Patrick Murphy delivers outstanding male lead vocals. Four to five part harmonies are the band's signature sound and backup lead vocals are present on many of their songs with the additional lead singing ability of Fred Krubel.

### More than music

In addition to musical acts, Covered Bridge Days features activities at many different locations throughout Brodhead.

Among the many long-standing Covered Bridge Days activities are live bands, beer garden, vendor market on the downtown square, Kids' Fun Run, Wildflower Art Festival, horse drawn wagon rides, Garden Club display, Kelch Museum and Gypsy Air tours, pontoon rides, tractor pull, display and drive, Model A antique car display and classic car show, food stands, softball tournament, bag tournament, chicken BBQ, Wildflower Walk.

## New faces from new places at the Wildflower Art Festival

By Michele Benesh

**WILDFLOWER ART FESTIVAL**  
Brodhead's twelfth annual Wildflower Art Festival will take place in Veterans Park during Covered Bridge Days on Saturday, Aug. 12, from 9 a.m. until 4 p.m. We are glad that so many artists choose to return to the Wildflower Art Festival year after year! They clearly like Brodhead and it is obvious that Brodhead likes them. This year we also are happy to host several new artists.

We are excited to welcome Sara Hoida from Oneida (Twilight Twisted Trees), who creates both indoor and outdoor art including wire twisted treescapes mounted on natural stones, plasma cut wall décor with semi-precious stone wire wrap, and steel rings with double swivel and copper inlay design.

Janesville wood artist James Dahlgran fashions beautiful ink, gel, and fountain pens from various types of wood.

Coming from Rockford, Sandy Reavis is excited to bring her art to her hometown. She creates fluid art or acrylic paint pourings, and her work has been displayed in galleries. She is a member of the Rockford Art Guild.

Bringing her watercolor paintings of local barns, cows, and chickens, as well as beach and ocean scenes, Linda Shannon from Brunswick, Georgia,

# Blackhawk Technical College, Angus-Young Associates receive award for Interior Design Excellence

Blackhawk Technical College, in collaboration with Angus-Young Associates, is proud to announce that their renovation of the college's Conference Center, Student Commons and Courtyard Café has been honored with a prestigious Wisconsin Institute of Interior Designers (IIDA) Higher Education Award of Excellence. This recognition celebrates the college's dedication to honoring innovative design solutions in higher education, providing students with a dynamic and flexible learning environment.

The Wisconsin Institute of Interior Designers (IIDA) Higher Education Award of Excellence was given to the Blackhawk Technical College project team at the Celebrate in Design Awards at the Madison Concourse Hotel in April. The team was led by Blackhawk Technical College with local architecture/engineering firm, Angus-Young. JP Cullen served as the general contractor for each of the spaces.

Winners were determined by a jury of design professionals from outside Wisconsin – all of which are experts in their field. Awarded to only two projects in the state of Wisconsin, the judging criteria for the higher education award outlined a project that successfully represented innovation and originality in design. The winner also had to address design challenges and demonstrate a successful incorporation of materials and interior finishes into the overall design.

"Blackhawk Technical College gave us the opportunity to design a space that will serve a multitude of uses. Not just for the staff and students, but for the community as well," said Joe Stadelman, Angus-Young

President. "At Angus-Young, we take joy in bringing our clients' visions to life. This award bolsters our commitment to collaborating with BTC in designing spaces that provide educational, personal, social and professional growth for their community."

The award-winning project is a renovation of a 14,310-square-foot space that spans two floors. The top floor is comprised of a conference center while the bottom floor holds a café, student dining and lounge area. With a vision to create floor plans that better serve Blackhawk students, these spaces provide an open layout that flows from the conference center down to the café, dining and commons areas.

Features offered in the lower-level multi-use areas in-

clude a pool table, foosball table, board games, video game consoles and study areas. Designed to be collaborative and inclusive, the versatile furniture and striking color palette brightens and brands the space as distinctly made for Blackhawk students.

Blackhawk Technical College delivers innovative education to enrich their diverse communities. The College is a center of education and training that is a catalyst for change in Rock and Green Counties, featuring future-driven educational delivery platforms and high-impact programs that improve lives. For more than 110 years, the College has offered a large assortment of associate degrees, technical diplomas, certificates, apprenticeships and non-post-secondary offerings.

Angus-Young is a full service architectural, landscape architecture, engineering and interior design firm providing high quality design solutions, construction documentation, bid management, and construction services. With more than 60 years of experience and office locations in Madison and Janesville; registered architects, landscape architects, engineers, and interior designers carry out the development of all their projects.

JP Cullen is a large-scale contractor offering complete construction services across Wisconsin, northern Illinois, northeast Iowa, and the nation. JP Cullen's projects range from \$1,000 to \$100+ million in size. Their mission is to identify, hire, train, and retain the best people to serve their customers.

# ADRC offers walking program developed by Arthritis Foundation

The Aging and Disability Resource Center (ADRC) is offering "Walk with Ease" starting Aug. 28, running through Oct. 9. This will be offered as a self-directed workshop with program guidance, as needed, from a trained leader. All needed materials will be mailed upon registration. "Walk with Ease" – a program developed and certified by the Arthritis Foundation – is a structured walking program that teaches participants how to safely make physical activity part of their everyday life. The program is designed to help people living

with arthritis better manage their pain and is also ideal for people without arthritis who want to make walking a regular and healthy habit.

"Walk with Ease" offers support, information, and tools to help participants develop successful exercise routines. During the six weeks of the program, participants learn proper stretching and pain management techniques; they also build stamina and walking pace. The program can even be modified to meet the needs of individual participants so that each person can develop an

exercise routine that fits their unique goals. "Research shows that walking is not only good for joints, but also helps improve the health of our heart, lungs, and bones," said Laura Steiner, ADRC's Wellness and Prevention Specialist. "Walking can also help with weight-management which in turn can reduce one's risk for arthritis in the knee, heart disease, and diabetes. If you can be on your feet for at least 10 minutes without increased pain for a minimum of three days per week, you will most likely have success."

"Walk with Ease" is shown

to increase balance, strength and walking pace, as well as reduce the pain and discomfort of arthritis. The program is also shown to build participant confidence to be physically active and improve overall health. There is zero cost to the program. Pre-registration is required. No living-in county restrictions. For more information, contact the ADRC-Green County Office by phone at 608-328-9499 or by email at resourcecenter@gchsd.org.

Please note, before starting any exercise program, be sure to always check with your healthcare provider.

is returning to the festival after an absence last year.

Jennifer Pease from Janesville will be exhibiting her wheel-thrown pottery including fantastic ceramic fish and glazed birdbaths that are fired in her kiln at a temperature of over 2,000 degrees!

Besides new artists, we are very happy to provide new faces in the music department in the afternoon, courtesy of the Matthew Wundrow Duo. In the morning we will welcome back "Breakaway Fiddle," directed by Ann Uresk.

Finally, we are thrilled to announce that we will have the popular "Eat at Joe's" food truck in the park this year! Their loyal customers

say they wish they could eat there every day, and the tables in the park shelter will be handy for enjoying your food. We will also have a popcorn vendor.

We hope to see everyone at the twelfth Wildflower Art Festival to greet these new artists and reconnect with returning ones. We also invite everyone to attend this year's "Wildflowers of Putnam Park" on Sunday, Aug. 13, at 10:30 a.m., when Paul Roemer will conduct a wildflower walk along the steep slope by the mill race – just south of the swimming pool. The native plantings there grow more beautiful every year – learn all about them!

# DNR asks public for help completing surveys of deer and game birds

The Wisconsin Department of Natural Resources (DNR) is seeking the public's help collecting crucial deer and game bird management data. The data will be collected starting Aug. 1 through the Operation Deer Watch Survey and the Game Bird Brood Observations Survey.

These surveys are designed to measure the reproductive status of deer and game birds. Data from public observations is used to collect crucial deer and game bird management data, including a fawn-to-doe ratio for deer and a poult-to-hen ratio for game birds. These ratios are

then compared to data from previous years to estimate how productive this year's deer herd/game birds are.

"Whenever you are out and about in Wisconsin, you can share observations of deer and game birds through the Survey123 submission tool," said Jes Rees Lohr, Assistant DNR Surveys Coordinator. "Every submission increases our dataset and helps Wisconsin have a clearer picture of how wildlife is doing. Everyone interested in wildlife, from hunters and trappers to outdoor enthusiasts, is encouraged to participate. It's an easy way to be involved in wildlife management in our

state."

The deadline to submit bird observations for the Game Bird Brood Survey is Aug. 31. The deadline to submit deer observations for the Operation Deer Watch Survey is Sept. 30.

Participation in both surveys is simple. It doesn't require registration and can be done using a mobile device. If in a vehicle, participants should only record sightings when their vehicle is stopped, not while driving.

For Operation Deer Watch, the public should report the location, deer type (buck, doe or fawn) and the number of deer seen. This information

helps to determine the fawn-to-doe ratio and, ultimately, deer population estimates. More information is available on the Operation Deer Watch webpage at [dnr.wisconsin.gov/topic/WildlifeHabitat/summerdeer.html](http://dnr.wisconsin.gov/topic/WildlifeHabitat/summerdeer.html).

For Game Bird Brood Observations, the DNR needs to know the bird species (turkey, ruffed grouse or pheasant), the type (adult or poult) and the number observed of each type. This information is a basis for monitoring the reproduction of game birds for that breeding year. More information is available on the Game Bird Brood Observations webpage at [dnr.wisconsin.gov/topic/WildlifeHabitat/GameBirdBroodObservations](http://dnr.wisconsin.gov/topic/WildlifeHabitat/GameBirdBroodObservations).

Public surveys reporting game bird sightings like the ruffed grouse help the DNR monitor the reproduction of game birds for that breeding year.
